Street of No Return David Goodis, 2012-03-29 For the first time the best work of a distinctive master of American noir is available in authoritative e-book editions from The Library of America. In *Street of No Return* 1954 David Goodis presents a skid-row odyssey in which a famous crooner scarred by violence descends into dereliction. From its opening in the freezing wind of a November street corner through its explosive ending, it is imbued with Goodis's deep identification with the unchartered society of the homeless and the hopeless. Other David Goodis novels available as Library of America E-Book Classics include *Nightfall*, *Dark Passage*, *The Moon in the Gutter*, and *The Burglar*.

Approach, 1972 The naval aviation safety review.

Surviving the Reich Ivan Goldstein, 2010-04-08 The memoirs of a Jewish American soldier who is taken as a POW by the Germans and survives against all odds. Ivan Goldstein was a nineteen-year-old green-as-grass soldier heading into his first battle, the Battle of the Bulge, World War II's fiercest engagement between the American army and Hitler's army. A bow gunner on a Sherman tank, Private Goldstein was only hours into his first battle when his tank was hit by an enemy shell and he was almost killed. Goldstein escapes with his life, only to be captured by the Germans. This could be the story of many young men from what has rightly been called the Greatest Generation, but Goldstein is not any young man. He is an American Jew. And when a German officer learns this, the officer says, "In the morning, take the Jew out and shoot him." What follows is an epic story of survival in the face of seemingly insurmountable odds that is sure to engage everyone interested in the war against the Third Reich.

Harlem's Love 2 James Malloy, 2021-10-09 This complicated love came quickly rushing to an end when Mike got the bad news about May. Things were tense now, and he didn't have a clue about where to start. May's disappearance and rumors of her being shot had Mike in limbo. Not to mention the big loss of money from his cousin robbing him. The streets were crazy, and things were changing quickly. Home wasn't the same as well. Auntie and Uncle were in complete disbelief. They couldn't believe that Mike had himself twisted up into a big mess like this. They changed up on him drastically. But that didn't stop Mike; he wanted revenge and wanted it now. Trying to be discrete, he asked around and searched the streets day and night. The few leads that he got about Hector had him hooked. Now it was time to get Hector.

Infernal Affairs Jane Heller, 2016-03-22 In this New York Times bestselling author's very funny novel, a frustrated woman gets the ultimate makeover by making an unwitting deal with the devil. Library Journal. Florida real estate agent Barbara Chessner is down on her luck, up several dress sizes, drowning herself in Bloody Marys, and worst of all, has just been dumped by her husband for a blonde TV weatherperson. Tired of living the life of a woman in a before-and-after, Barbara stumbles outside in the midst of a thunderstorm and beseeches heaven to help her, unaware that someone diabolical might be listening. Barbara wakes up with golden hair, not her own.

premature gray perfect pitch she's tone deaf a strange black dog registered to her no double chin a waistline and definite cleavage Talk about a good night's sleep Even more bizarre and seemingly wonderful things begin to happen to Barbara including some potential new romances and her friends at the real estate agency attribute the inexplicable to everything from hot flashes to dark forces Not even she knows what the devil is going on But when she finds out all hell is going to break loose Barbara is a terrific character clever witty and truly likable Library Journal Sly smart mouthed fun People Fiendishly funny Booklist J.A.P. EDWARD LANDERS, 2013-12-10 JAP is a story about a young man who somehow through a series of accidents intentions mistakes and drive became a Naval Aviator no mean feat by any accounts Having survived the grim reaper several times during his eight years of flying on active duty with the Navy he has come to believe sort of that he is a good aviator and can take care of just about anything that arises in the realm of flying He has disgustingly left active duty flying with the Navy as the result of witnessing inept officers who should never have made the grade continue to fly and serve without any leadership skills or command authority amounting to anything effective Most of them were in the young man's opinion timid beings who were only concerned with keeping their status quo resulting in their refusal to make decisions let alone lead in any forward power projections His decision to leave the Navy and throw his lot in with the airline pilots career was based on his perception that an airline captain just had to be made of stronger stuff That idea was also doomed to an early failure when he actually started to fly with the pilots who make up the airborne operation of the airline He found the same weaknesses on the part of the airline pilots that he had witnessed in the Navy pilots he had flown with Still struggling to find perfection the young man named Kruger in the book tries flying with the Naval Reserve pilots only to find once more that those pilots were even worse than the two groups that he had flown with earlier Kruger's worst nightmare finally comes to pass when he finds himself making some bad mistakes and decisions just like all of the other pilots he has ever encountered He has become a JAP or just another pilot like all of the others In spite of all of the disappointments he encounters he still has fun and fulfillment flying and is convinced that he could really do no job other than flying Flying has always been described as hours and hours of boredom punctuated by moments of stark terror Kruger's experiences follow that pattern except the boring hours are interesting also Kruger had always considered that the most exhilarating and exciting time you could ever experience was when you were right on the dangerous edge of things when you had less than a fifty percent chance of surviving the situation you were in and when you finally came out on top alive and well albeit that your heart was trying to go into tachycardia and your breathing could only be described as panting There is no rush better than this There are no punches pulled in the book The author tells it like it really was without cutting corners or glossing over the facts It is what it was People are people and no one is perfect We all have warts no matter how good we look and usually the ones who boast the most and are the models of perfection are the ones who have the most faults As the Bible says Judge not lest ye be judged Kruger finds that to be very true and as a result he mulls each flight in his mind in an effort to

try to perfect what he has just done There are no heroes in the book but there are a lot of truths if you can find them
