From Silence to Secrecy Martha E. Leiker, 2010-12-08 As a young girl growing up in Kansas Martha Leiker always felt a pull toward Africa She couldn't explain why but she dreamed of working in Africa with the African people In *From Silence to Secrecy* Leiker narrates the story of how she made that dream come true Leiker likens her life to that of a chameleon changing easily from one lifestyle to another This memoir follows those changes beginning with her birth in 1940 in rural Kansas her training as a nun with the Missionary Sisters of Our Lady of Africa in Pennsylvania her work in Africa as a missionary for eight years her twenty years of service with the CIA and her current position with the National Active and Retired Federal Employees Association NARFE in Colorado Including many fascinating photos *From Silence to Secrecy* demonstrates how one young girl with a dream accomplished her goals and lived a life full of rich experiences Leiker's story shows how her faith hope inner strength and dreams carried her far

Secrecy Amabel Daniels, 2019-09-05 Before Layla Holden can start her freshman year at Colton High she receives an unexpected invitation to attend a private school she's never heard of She doesn't hesitate to accept eager to escape the close minded small town where she's been taunted and teased for seeing otherworldly creatures Anywhere has to be better than home Yet she's only permitted to go if she brings her twin sister Sabine along for the ride Inside the walls of the castle like fortress on the isolated campus the girls find many secrets and hidden mysteries Layla's never shied from challenges and is determined to pass her first year However with more unusual and bigger monsters lurking at the school she struggles to keep her ability a secret On top of the pressure to succeed in the competitive school she also attracts the attention of a new student Flynn Madsen He's not the only one who's curious about her but he seems to have the same gift of sensing these supernatural beings In a new school it's impossible to know who to trust and what to believe By keeping her own secrets closely guarded Layla has to have faith in herself Not her bookish roomie not the cute new boy who seems too curious about her Because sometimes holding your own secrets can overpower the need to unravel others a fine balance of controlling your fears or letting them destroy you

Sworn To Secrecy World War II Memoirs Annette Salvesen, 2014-03-03 Annette More is just a teenager living in England when Europe becomes consumed with the violence of World War II Annette is helpless when she learns that her mother Dorothy and step father Jackie are in Singapore when the Japanese invade As the fighting intensifies in 1944 Annette finds herself drawn into the secret world of

codes and cyphers of the now famous Bletchley Park Code and Cypher School in England After Germany is defeated Annette would continue her service in Germany and then Italy gaining close friends and experiencing all that life has to offer along the way

Secrecy and Sapphic Modernism S. Nair,2011-12-06 Novels by significant Modernist authors can be described as romances providing insight into restrictions governing the representation of female homosexuality in the early twentieth century Nair argues that key novels of the period represented same sex desire through the encryption of personal references directed towards coterie audiences

Salman Rushdie and the Genesis of Secrecy Vijay Mishra,2019-05-16 Salman Rushdie and the Genesis of Secrecy is the first book to draw extensively from material in the Salman Rushdie archive at Emory University to uncover the makings of the British Indian writer's modernist poetics Simultaneously connecting Rushdie with radical non Western humanism and an essentially English European sensibility and therefore questions about world literature this book argues that a true understanding of the writer lies in uncovering his genesis of secrecy through a close reading of his archive Topics and materials explored include unpublished novels plays and screenplays the earlier versions and drafts of Midnight's Children and its adaptations understanding Islam and The Satanic Verses the influence of cinema and Rushdie's turn to earlier archives as the secret codes of modernism Through careful examination of Rushdie's archive Vijay Mishra demonstrates how Rushdie combines a radically new form of English with a familiarity with the generic registers of Indian Arabic and Persian literary forms Together these present a contradictory orientalism that defines Rushdie's own humanism within the parameters of world literature

Secrecy and Responsibility in the Era of an Epidemic Hanne Overgaard Mogensen,2020-07-29 A narrative ethnography about a Ugandan woman and her relatives this novelistic fine grained volume shows how global questions of responsibility and inequity travel in family networks and confront people with decisions about life and death It is a story of existence under extremely challenging conditions about belonging and marginalization about the opacity and ambiguity of social relations and about growing up in a country haunted by violence and civil war only to be later lifted by optimism and devastated anew by the AIDS epidemic The story draws on long term fieldwork and letters from the woman who takes centre stage in the story while at once providing unique and privileged insight into the ethical challenges of a research method that demands personal involvement that is ultimately withdrawn for scholarly analysis
