Stephen King Rocky Wood, 2017-02-10 This companion provides a two part introduction to best selling author Stephen King whose enormous popularity over the years has gained him an audience well beyond readers of horror fiction the genre with which he is most often associated Part I considers the reception of King's work the film adaptations that they gave rise to the fictional worlds in which some of his novels are set and the more useful approaches to King's varied corpus Part II consists of entries for each series novel story screenplay and even poem including works never published or produced as well as characters and settings

The Palgrave Handbook of Contemporary Gothic Clive Bloom, 2020-07-10 Simply put there is absolutely nothing on the market with the range of ambition of this strikingly eclectic collection of essays Not only is it impossible to imagine a more comprehensive view of the subject most readers even specialists in the subject will find that there are elements of the Gothic genre here of which they were previously unaware Barry Forshaw Author of British Gothic Cinema and Sex and Film The Palgrave Handbook of Contemporary Gothic is the most comprehensive compendium of analytic essays on the modern Gothic now available covering the vast and highly significant period from 1918 to 2019 The Gothic sensibility over 200 years old embraces its dark past whilst anticipating the future From demons and monsters to post apocalyptic fears and ecological fantasies Gothic is thriving as never before in the arts and in popular culture This volume is made up of 62 comprehensive chapters with notes and extended bibliographies contributed by scholars from around the world The chapters are written not only for those engaged in academic research but also to be accessible to students and dedicated followers of the genre Each

chapter is packed with analysis of the Gothic in both theory and practice as the genre has mutated and spread over the last hundred years Starting in 1918 with the impact of film on the genre s development and moving through its many and varied international incarnations each chapter chronicles the history of the gothic milieu from the movies to gaming platforms and internet memes television and theatre The volume also looks at how Gothic intersects with fashion music and popular culture a multi layered multi ethnic even a trans gendered experience as we move into the twenty first century **Landscape of**

Fear Tony Magistrale,1988 One of the very first books to take Stephen King seriously Landscape of Fear originally published in 1988 reveals the source of King s horror in the sociopolitical anxieties of the post Vietnam post Watergate era In this groundbreaking study Tony Magistrale shows how King s fiction transcends the escapism typical of its genre to tap into our deepest cultural fears that the government we have installed through the democratic process is not only corrupt but actively pursuing our destruction that our technologies have progressed to the point at which the individual has now become expendable and that our fundamental social institutions school marriage workplace and the church have beneath their veneers of respectability evolved into perverse manifestations of narcissism greed and violence Tracing King s moralist vision to the likes of Twain Hawthorne and Melville Landscape of Fear establishes the place of this popular writer within the grand tradition of American literature Like his literary forbears King gives us characters that have the capacity to make ethical choices in an imperfect often evil world Yet he inscribes that conflict within unmistakably modern settings From the industrial nightmare of Graveyard Shift to the breakdown of the domestic sphere in The Shining from the techno horrors of The Stand to the religious fanaticism and adolescent cruelty depicted in Carrie Magistrale charts the contours of King s fictional landscape in its first decade **Scaring Us to Death** Michael R. Collings,1997-01-01 In this revised and expanded edition of The Stephen King Phenomenon Dr Michael R Collings re examines the impact of Stephen King on popular culture

The Shape Under the Sheet Stephen J. Spignesi,1991 This reference source on Stephen King s fiction provides details about characters places and objects in each of King s novels and short stories and includes a biography section interviews with family friends and contemporaries and sections on film adaptations and audio versions of his work [Stephen King, American Master](#) Stephen Spignesi,2018-10-30 Fascinating facts trivia and little known details about the Master of the Macabre s life from the world s leading authority on Stephen King Entertainment Weekly New York Times bestselling author Stephen Spignesi has compiled interviews essays and loads of facts and details about all of Stephen King s work into this fun and informative compendium for the author s many fans from the casual to the fanatical Did you know In his early teens Stephen King sold typed copies of his short stories at school King originally thought his novel Pet Sematary was too frightening to publish King s legendary Dark Tower series took him more than 30 years to write Thinner was the novel that revealed his Richard Bachman pseudonym to the world King wrote The Eyes of the Dragon for his daughter Naomi He has never liked Stanley Kubrick s film version of his novel The Shining It took him four years to write what some consider his

magnum opus IT The 2017 film version of IT has grossed more than 700 million worldwide In addition to novels King has written essays plays screenplays and even poetry **Retrospective Poe** José R. Ibáñez Ibáñez, Santiago Rodríguez Guerrero-Strachan, 2023-01-01 This book analyzes a range of Edgar Allan Poe s writing focusing on new readings that engage with classical and post modern studies of his work and the troubling literary relationship that he had with T S Eliot Whilst the book examines Poe s influence in Spain and how his figure has been marketed to young and adult Spanish reading audiences it also explores the profound impact that Poe had on other audiences such as in America Greece and Japan from the nineteenth to the twenty first century The essays attest to Poe s well deserved reputation his worldwide legacy and his continued presence in global literature This book will appeal particularly to university teachers Poe scholars graduate students and general readers interested in Poe s oeuvre
