

SKULKING FOR THE KING

A Loyalist Plot

Skulking For The King A Loyalist Plot

J. Fraser

Skulking For The King A Loyalist Plot:

Skulking for the King J. Fraser, 1985 I am heartily ashamed Gavin K. Watt, 2010-06-21 The second installment in Gavin K Watt's Revolutionary War trilogy *I am heartily ashamed* picks up where *A dirty trifling piece of business* leaves off. It's a new year with new challenges. An incredibly fierce Canadian winter was endured before raiding was resumed against the enemy's frontiers. The rebels' Mohawk region defence soon fell into disarray when two colonels jostled for control. Continued negotiations encouraged Vermont to not support the rebellion and the republic became a haven for loyalists escaping persecution. Vermont's adherents even felt free to militarily challenge New York. After the poor results of Ross's October raid, Haldimand chose to alter his strategy. For years his native allies had sent small war parties against the frontiers and that summer he gave command of large projects to First Nations leaders whose methods greatly challenged the rebels. A new British ministry announced a cessation of arms in July, soon followed by peace talks. Despite the ceasefire, Washington ordered an attack on the new British post at Oswego, which failed miserably. When Haldimand discovered that the treaty's articles threatened the security of Canada and made no provisions for the natives or loyalists, he confessed, "My soul is completely bowed down with grief. I am heartily ashamed."

Gavin K. Watt's Revolutionary Canadian History 5-Book Bundle
Gavin K. Watt, 2014-07-02 This special bundle collects five titles by military history specialist Gavin K Watt. This series has a unique focus: The American War of Independence viewed from the perspective of British operations in the north. *The Burning of the Valleys* concerns a decisive campaign against the northern frontier of New York in the fifth year of the war. *A Dirty Trifling Piece of Business* is about operations in the sixth year, including in the south. *In Poisoned by Lies and Hypocrisy* Watt explores the first two campaigns of the American Revolution through their impact on Canada and describes how a motley group of militia, American loyalists, and British regulars managed to defend Quebec and repel the invaders. *Rebellion in the Mohawk Valley* concerns the campaign that led to the destruction of British-held Fort Ticonderoga. These titles are essential reading for military history, early Canadian history, and War of Independence history buffs. Includes *The Burning of the Valleys*, *A Dirty Trifling Piece of Business*, *I Am Heartily Ashamed*, *Poisoned by Lies and Hypocrisy*, and *Rebellion in the Mohawk Valley*.

Gavin K. Watt's Revolutionary Canadian History 6-Book Bundle
Gavin K. Watt, 2017-06-26 This special bundle collects six titles by military history specialist Gavin K Watt. This series has a unique focus: The American War of Independence viewed from the perspective of British operations in the north. *The Burning of the Valleys* concerns a decisive campaign against the northern frontier of New York in the fifth year of the war. *A Dirty Trifling Piece of Business* is about operations in the sixth year, including in the south. *In Poisoned by Lies and Hypocrisy* Watt explores the first two campaigns of the American Revolution through their impact on Canada and describes how a motley group of militia, American loyalists, and British regulars managed to defend Quebec and repel the invaders. *Rebellion in the Mohawk Valley* concerns the campaign that led to the destruction of British-held Fort Ticonderoga. *Fire and Desolation* details how misrule and fraying alliances led

to a ferocious campaign in 1777 that changed the course of the American Revolution These titles are essential reading for military history early Canadian history and War of Independence history buffs Includes *The Burning of the Valleys A Dirty Trifling Piece of Business I Am Heartily Ashamed Poisoned by Lies and Hypocrisy Rebellion in the Mohawk Valley New in 2017 Fire and Desolation* *The Burning of the Valleys* Gavin K. Watt,1997-03-01 In the fifth year of the War of Independence while the Americans focused on the British thrust against the Carolinas the Canadian Department waged a decisive campaign against the northern frontier of New York Their primary target was the Mohawk River region known to be the grainbowl that fed Washington s armies *The Burning of the Valleys* details the actions of both sides in this exciting and incredibly effective British campaign General Frederick Haldimand of Canada possessed a potent force formed by the deadly alliance of toughened embittered Tories who had abandoned their families and farms in New York and Pennsylvania to join the King s Provincial regiments in Canada and the enraged Six Nations Iroquois whose towns and farmlands had been utterly devastated by Continentals in 1779 The Governor augmented this highly motivated force with British and German regulars and Canadian Iroquois In October without benefit of modern transportation communications or navigational aids four coordinated raids each thoroughly examined in this book penetrated deeply into American territory The raiders fought skirmishes and battles took hundreds of prisoners burned forts farms and mills and destroyed one of the finest grain harvests in living memory **No Turning Point** Theodore Corbett,2014-11-05 The Battle of Saratoga in 1777 ended with British general John Burgoyne s troops surrendering to the American rebel army commanded by General Horatio Gates Historians have long seen Burgoyne s defeat as a turning point in the American Revolution because it convinced France to join the war on the side of the colonies thus ensuring American victory But that traditional view of Saratoga overlooks the complexity of the situation on the ground Setting the battle in its social and political context Theodore Corbett examines Saratoga and its aftermath as part of ongoing conflicts among the settlers of the Hudson and Champlain valleys of New York Canada and Vermont This long more local view reveals that the American victory actually resolved very little In transcending traditional military history Corbett examines the roles not only of enlisted Patriot and Redcoat soldiers but also of landowners tenant farmers townspeople American Indians Loyalists and African Americans He begins the story in the 1760s when the first large influx of white settlers arrived in the New York and New England backcountry Ethnic and religious strife marked relations among the colonists from the outset Conflicting claims issued by New York and New Hampshire to the area that eventually became Vermont turned the skirmishes into a veritable civil war These pre Revolution conflicts which determined allegiances during the Revolution were not affected by the military outcome of the Battle of Saratoga After Burgoyne s defeat the British retained control of the upper Hudson Champlain valley and mobilized Loyalists and Native allies to continue successful raids there even after the Revolution The civil strife among the colonists continued into the 1780s as the American victory gave way to violent strife amounting to class warfare Corbett ends his story with conflicts over debt in Vermont New Hampshire

and finally Massachusetts where the sack of Stockbridge part of Shays's Rebellion in 1787 was the last of the civil disruptions that had roiled the landscape for the previous twenty years No Turning Point complicates and enriches our understanding of the difficult birth of the United States as a nation **Poisoned by Lies and Hypocrisy** Gavin K. Watt, 2014-01-13 In 1775

Americans made their first attempt to invade Canada When the rebels attacked Quebec City Carleton's motley army of militia American loyalists British regulars and First Nations successfully managed to repel them despite the odds **A Dirty,**

Trifling Piece of Business Gavin K. Watt, 2009-04-06 By 1781 the sixth year of the American rebellion British strategic focus had shifted from the northern states to concentrate in the south Canada's governor Frederick Haldimand was responsible for the defence of the Crown's largest colony against the threat of Franco-American invasion while assisting overall British strategy He cleverly employed his sparse resources to vigorously raid the rebels' frontiers and create anxiety disruption and deprivation as his Secret Service undermined their morale with invasion rumours and threatened their Union by negotiating with the independent republic of Vermont to return to the British fold Haldimand flooded New York's Mohawk and Schoharie valleys with Indian and Loyalist raiders and once the danger of invasion passed he dispatched two coordinated expeditions south One was launched onto Lake Champlain to alarm Albany and further the secret talks with Vermont The second struck deep into enemy territory fought a battle at Johnstown and retreated precipitately The rebels effectively countered both expeditions **Genealogies in the Library of Congress** Marion J. Kaminkow, 2012-09 A complement to
