Sky Hunters X Battalion:

Sky Hunters: X-Battalion Jack Shane, 2024-04-16 Bobby Autry is one of the best in the world at what he does. An elite combat chopper pilot, Autry has been tested under fire and always come out on top. But his new assignment might change all that. He's been tasked to lead a new unit of the elite Night Stalkers, a unit that can outfly the rest of the pilots in SOAR. Special Operations Air Regiment outshoot the best gunners in the SEALs or Deltas and operate as independently as the most lawless guerrillas. The results: an experimental unit expected to fail. The X Battalion. It won't be easy. The pilots he has at his command are the craziest, most dangerous, most unpredictable men in the military: men capable of thinking beyond rules and regulations but men equally capable of breaking them. Autry will need every one of them if they are to survive their first mission. North Korean dictator Kim Il Sung had procured a weapon of apocalyptic destruction and all intelligence points to his willingness to use it within the next 48 hours. If he deploys the weapon, he will poison the entire planet with radioactive fallout. The only way to stop him is with a group that can move silently, strike powerfully, and not worry about breaking a few rules along the way. The only way to stop him: X Battalion. **Sky Hunters: X-Battalion** Jack Shane, 2002 **Sky Hunters: Operation Southern Cross** Jack Shane, 2009-05-21

The expert, the fearless, the crazy, the most lethal weapon in the U.S. arsenal. Only the best can make it in X Battalion, the top secret experimental arm of the U.S. military's TF 160 Nightstalkers. The mavericks and madmen who fly the highest tech attack helicopters make their own rules as they shuttle CIA spooks and Special Ops commandos to high risk zones and leap into the fight without question whenever the need arises. But fresh from a successful mission against a Colombian drug lord, XBat finds itself the target of a new and unexpected enemy: fighter jets from a revitalized Venezuelan air force. A brutal new age SS is coming alive in this volatile South America powderkeg with the power to start a war and a terrifying weapon to help them win it. But now they've got XBat's rogue warriors on their tail who are determined to pursue the growing threat from Caracas to Cuba and eliminate it by any means necessary.

American Book Publishing Record, 2006 **Beneath a Turkish Sky** Philip Lecane, 2015-06-01 It was the First World War's largest seaborne invasion and the Irish were at the forefront. Recruited in Ireland, the Royal Dublin Fusiliers were ordered to spearhead the invasion of Gallipoli in Turkey. Deadlocked in trench warfare on the Western Front, the British High Command hoped the assault would Germany's ally out of the war. Using letters and photographs, this book tells the story of the Dubs officers and men called from an idyllic posting in India to be billeted on the civilian population in England. They then set off on what was presented as a great adventure to win glory and capture Constantinople. The book also gives the story of the Turkish defenders and the locality being invaded. Accompanied by the Royal Munster Fusiliers packed aboard the SS River Clyde, the Dubs landed from ships' boats on the fiercely defended beach at Sedd el Bahr. The song 'The Foggy Dew' says: 'It were better to die beneath an Irish sky than at Suvla or Sedd el Bahr.' This book tells the story of the forgotten Irishmen who died beneath a Turkish sky in what was Ireland's D-Day. *The Cat From Hue* John Laurence, 2008-08-05 Winner of the
