Slaying My Dragons Maria Victoria Murua, 2015-09-28 From the time Georgie was a little boy his life underwent powerful life altering changes that gave rise to his many fears the sudden death of his beloved Grandpa Manny his parent's divorce his mother's and his little brother's illnesses and especially the presence in his life of Damian and his bullies He was only five when he lost his grandpa but then God seemed to compensate him with his new baby brother Tony someone he could love and protect That connection created in both boys a bond that surpassed anything else in their lives and although 5 years apart in age they grew up together almost as contemporaries sharing everything in their lives and holding on to each other as their anchor in dealing with all the misfortunes life dealt them Through it all Georgie harbored and nurtured a lot of fears the biggest of which were the bullies at school and how to protect Tony when he couldn't even protect himself Skirting the bullies as he went Georgie developed into a mature young teenager a gifted student and a talented dancer pulling Tony along with him on all his new adventures and accomplishments while at the same time dealing with the bullies as best he could Then an unexpected ally arrives in the form of a bronze statue of St George given to him by his grandmother With that statue comes hope and faith and an awareness of all that he could be along with a new and powerful friend Like everything else in life one cannot just avoid evil and danger While it confronted just him Georgie was able to evade it but when it involved Tony he had to face it head on In doing so he found that he didn't have to face it alone His help came from the most unlikely sources his dragons his fears and a couple of real fire breathing dragons St George and Tony himself Two brother together

they played together they dreamed together they danced and together they fought back Slaying Dragons Debbie Cowles,2006-11 Everyone has a sexual history and many of those histories include shameful secrets For the millions of women affected this text offers practical help in facing the secrets and finding hope in the healing process Practical Life
