The American Deep State Peter Dale Scott, 2014-10-30 This provocative book makes a compelling case for a hidden deep state that influences and often opposes official U S policies Prominent political analyst Peter Dale Scott begins by tracing America s increasing militarization restrictions on constitutional rights and income disparity since the Vietnam War He argues that a significant role in this historic reversal was the intervention of a series of structural deep events ranging from the assassination of President Kennedy to 9 11 He does not attempt to resolve the controversies surrounding these events but he shows their significant points in common ranging from overlapping personnel and modes of operation to shared sources of funding Behind all of these commonalities is what Scott calls the deep state a second order of government behind the public or constitutional state that has grown considerably stronger since World War II He marshals convincing evidence that the deep state is partly institutionalized in non accountable intelligence agencies like the CIA and NSA but it also includes private corporations like Booz Allen Hamilton and SAIC to which 70 percent of intelligence budgets are outsourced Behind these public and private institutions is the traditional influence of Wall Street bankers and lawyers allied with international oil companies beyond the reach of domestic law With the increasing importance of Gulf states like Saudi Arabia to oil markets American defense companies and Wall Street itself this essential book shows that there is now a supranational deep state sometimes demonstrably opposed to official American policies and public interest *The Devil's Tooth* Craig Conrad, 2020-11-16 Paul Rice gets a frantic call about his friend Little Bull from the Lakota s girlfriend Mary Walking Bear informing Paul that the Minnesota police are after Little Bull for killing the governor over a planned Indian casino Paul drops everything and heads for Minnesota taking Taylor Rawls with him assuming that Little Bull will be in need of a good attorney Once the court fight starts and Paul starts digging into things he finds that some people in the justice system don t like Indians and he learns about the Lakota legend of the Devil s Tooth and the power of the Indian shaman all of which send a new light as to who killed the governor and why The Devil's Gate : An Impossible Journey Deepak Kripal, 2013-11-21 SIDELINED BY MAN ANIMALS TURNED TO DEMONS Plundered by humans of their habitats animals take a drastic step when they decide to send a team of a cat named as Katy and a dog named as Dug to an invisible island known as the Island of Five Hundred Graves The island becomes visible only for a short time on the night of the full moon Legend has it that the island is inhabited by the demons Katy and Dug are supposed to negotiate a deal with the demons convincing them to allow the animals inhabit the island Majority of the animal community believe that tinkering with the other world could bring their wrath to the animals The team is sent to the island nevertheless But can a deal with the dead be materialized Are there really demons on the island Is there any conspiracy involved Will Katy and Dug be able to negotiate or will survival remain their only question in the deadly island
