Slice Of Wry:

Officer Down Jean Louise, 2013-12-01 Two cops partners They see it all the good the bad and the stupid And when they re on the job what they see could get them killed and almost does This is one of those days This novelette is slice of life fiction comprised of various vignettes in the lives of these characters The stories are told in two different narrative forms This is the second adventure of Officers Earnest and Wry The first is told in *Arrest Me* **Analecta** Jim Whiting, 2005 If you re looking for a trite phrase to describe the essence of this book try A trip down memory lane It might be as apt as any And Jim Whiting s *Analecta* fits that mold His bittersweet telling of a childhood filled with sometimes warm and fuzzy anecdotes may trigger fond memories of your own younger days The more unpleasant aspects of growing up are also visited here and these tales will have you grateful that your experiences perhaps similar are in the past only to be remembered sometimes painfully *Analecta* begins at a critical point in the author s life He is on the final lap of a solo car journey from upstate New York to Southern California Six days ago he had left a life that had become routine comfortable and very much a part of himself in retrospect perhaps too much so He would in a matter of hours be reunited with his wife who had taken a job a month prior in Solana Beach In New York State they had left behind four of five of their grown children and five grandchildren He also left behind almost twenty nine years in broadcasting and an overlapping career in cartooning that s his resume Flashbacks to his preteen years reveal a kid who shows very early entrepreneurial leanings He has a tendency to want to belong but he has difficulty being at ease in belonging Whiting touches on the uneasy relationship with his older brother is that so different from many siblings have There are interludes about a twelve year old kid getting lost in on his first visit to New York City a high school girl friend Navy boot camp magic in New Orleans personalities in Radio poems some very good some not so but fun observations made in classrooms business offices and on the tennis court Don t look for gossip accusations or grievances none of them are in this book It s definitely not a downer Returning to Mell Lazarus s Introduction for a final note It s a great book If you re like me you ll love it If you re not like me you ll love it **Slice Harvester** Colin Atrophy
