Chief Supporters	Northern business owners Large landowners	Skilled workers Small farmers Plantation owners

# Small Is Democratic

**Dana Ott**

## **Small Is Democratic:**

**Small is Democratic** Dana Ott, 2018-10-24 This book examines the relationship between state size and the formation and maintenance of democratic political systems Using a cross national multiple case study of The Gambia in West Africa and Trinidad and Tobago in the Caribbean in combination with a quantitative data set on all the nations in the world the study examines the effects of smallness when measured by population size on a number of variables including the probability of becoming and remaining democratic access to information political instability and political violence The dissertation argues that the small scale social structure which is prevalent in small states directly affects the social interaction of individuals in these states through the multiple role relationships created as a consequence and indirectly affects the political and economic systems of these states through the impact of such social networks on political interaction etc The case studies examine the effects of smallness on two states that aside from being small and democratic share few background characteristics It is argued that small state size acts as an enabling environment for democratization increasing the likelihood that such states will become and remain democratic as occurred in Trinidad and Tobago The case of The Gambia illustrates the limitations of smallness to overcome other obstacles to democratization including economic social and systemic limitations The quantitative analysis establishes a significant statistical relationship between small state size when measured by population and the formation and maintenance of political democracy and an increased likelihood of political violence when measured by political riots and deaths by political violence The analysis concludes with a discussion of the implications of such findings including transferability through the application of targeted decentralization programs

Neutrality as a Policy Choice for Small/Weak Democracies Michael F. Palo, 2019-07-08 In *Neutrality as a Policy Choice for Small Weak Democracies Learning from the Belgian Experience* Michael F Palo has three main objectives First he employs a counterfactual approach to examine the hypothesis that had permanent neutrality not been imposed on Belgium in 1839 it would have pursued neutrality anyway until war broke out in 1914 Secondly he analyses why after abandoning obligatory neutrality during World War I the Belgians adopted voluntary neutrality in October 1936 Finally he seeks to use the historical Belgian case study to test specific International Relations Theories and to contribute to Small State Studies especially the behaviour of small weak democracies in the international system

*Competitive Elections in Developing Countries* Myron Weiner, Ergun Özbudun, 1987 This is the latest in the *At the Polls* series in which Duke University Press has joined with the American Enterprise Institute for Public Policy Research to publish studies on the electoral process as it functions around the world Cited by Choice for its high standard of scholarly analysis and objectivity the series provides both a chronicle of events and a thorough analysis of the election results

**The Negro and Fusion Politics in North Carolina, 1894-1901** Helen G. Edmonds, 2013-01-01 Edmonds gives a detailed and accurate record of the political careers of prominent North Carolina blacks who held federal state county and municipal offices This record shows that the ration of Afro American voters was so

low that black domination was neither a reality nor a threat      The Operation of the Japanese Electoral System since 1994 Kazuaki Nagatomi,2021-11-24 This research explores one of the baffling mysteries in contemporary non Western democracies The conversion to a mixed system of the first past the post system and proportional representation for the Japanese House of Representatives in 1994 has not realised the widely spread desire for recurrent changes of government as the Liberal Democratic Party have maintained their grip Dr Nagatomi monitors Japanese politics with the theories and methodologies of electoral geography From a comparative perspective the operation of the electoral system can mostly be explained by the geographical distributions of party supports the arrangements of electoral constituencies and the candidacies of parties Packed with a volume of the analyses unpublished elsewhere this book will offer food for thought to political scientists Asian watchers and broadly comparative researchers      Congress Reconsidered Lawrence C. Dodd,Bruce I. Oppenheimer,2016-12-27 For almost four decades the editors of Congress Reconsidered Lawrence C Dodd and Bruce I Oppenheimer have delivered the best contemporary work from leading congressional scholars in a form that is both analytical and accessible The tradition continues in this Eleventh Edition as contributing authors focus on the many ways Congress has changed over time and examine the conditions that foster these developments Some of the most noted names in congressional studies address topics from broad dynamics affecting the institution elections and constituencies parties and internal organization inter branch relations and policymaking This new edition also ends with a capstone chapter on the milestone 2016 elections Simply put this bestselling volume remains on the cutting edge of scholarship identifying patterns of change in Congress and placing those patterns in context      **Congressional Record** United States. Congress,1961

N. W. Ayer & Son's American Newspaper Annual and Directory ,1911      **Schooling in Modernity** Paola Bonifazio,2014-05-27 Between 1948 and the end of the 1950s Italian and American government agencies and corporations commissioned hundreds of short films for domestic and foreign consumption on topics such as the fight against unemployment the transformation of rural and urban spaces and the re establishment of democratic regimes in Italy and throughout Europe In *Schooling in Modernity* Paola Bonifazio investigates the ways in which these sponsored films promoted a particular vision of modernization and industry and functioned as tools to govern the Italian people The author uses extensive archival research and various theoretical approaches to examine the politics of sponsored filmmaking in postwar Italy Among the many topics explored are target audiences and audience response sources of funding censorship debates on cinematic realism and the connections and differences between American and Italian strategies and styles of documentary filmmaking Insightful and richly detailed *Schooling in Modernity* shows the importance of these under appreciated films in the postwar modernization process the transition from Fascism to democracy and Italy s involvement in the Cold War

Encyclopedia of Educational Reform and Dissent Thomas C. Hunt,James C. Carper,Thomas J. Lasley, II,C. Daniel Raisch,2010-01-12 Educational reform and to a lesser extent educational dissent occupy a prominent place in the annals of U

S education Whether based on religious cultural social philosophical or pedagogical grounds they are ever present in our educational history Although some reforms have been presented as a remedy for society's ills most programs were aimed toward practical transformation of the existing system to ensure that each child will have a better opportunity to succeed in U S society Educational reform is a topic rich with ideas rife with controversy and vital in its outcome for school patrons educators and the nation as a whole With nearly 450 entries these two volumes comprise the first reference work to bring together the strands of reform and reformers and dissent and dissenters in one place as a resource for parents policymakers scholars teachers and those studying to enter the teaching profession Key Features Opens with a historical overview of educational reform and dissent and a timeline of key reforms legislation publications and more Examines the reform or dissent related to education found in theories concepts ideas writings research and practice Addresses how reformers and dissenters become significant culture shaping people and change the way we conduct our lives Key Themes Accountability Biographies Concepts and Theories Curriculum and Instruction Diversity Finances and Economics Government Organizations Advisory Organizations Business and Foundations Organizations Curriculum Organizations Government Organizations Professional Organizations Think Tanks Public Policy Religion and Religious Education Reports School Types Special Needs Technology This authoritative work fills a void in the literature in the vast areas of educational reform and dissent making it a must have resource for any academic library Availability in print and electronic formats provides students with convenient easy access wherever they may be

**In the Shadow of Justice** Katrina Forrester, 2019-09-24 In this first ever history of contemporary liberal theory Forrester shows how liberal egalitarianism a set of ideas about justice equality obligation and the state became dominant and traces its emergence from the political and ideological context of the postwar United States and Britain d Britain *Educating for Humanity* Mike Seymour, Henry M. Levin, 2015-11-17 At a time of profound crises around the world when social justice peace democracy and the environment seem under increasing threat the promise of a world for all seems a viable aspiration for education Ample evidence from many schools today and dating back throughout the last century prove that the purpose of educating young people to develop character compassion purpose and commitment is integral with the mastery of intellectual skills and life competencies Schooling without a doubt can play a monumental part in the development of the personal values people take with them to the world Unfortunately as the saying goes if you don't know where you're going you'll probably get someplace else Educational policy directions over the last twenty years have veered far away from the important work of educating for humanity This book makes a powerful appeal to revisit educational purpose in light of what is most fundamental and important to human beings everywhere The authors address timely issues such as high stakes testing school choice and privatization of education in looking beyond these measures to new approaches to educational excellence *The Politics of Attracting Investment* Chase C. Englund, 2024-12-27 This book provides a tour through a novel theoretical approach to understanding the political economy of authoritarianism and the international

market for capital investment As the author demonstrates through an extensive series of analysis success in attracting investment and ultimately fostering growth lies with the ability of the state to reduce investors uncertainty The author explores the market for FDI in nondemocratic states and finds that those states which feature reduced competition over policy between economic elites are more likely to attract investment inflows However these inflows are the result of incentives provided as private benefits for incumbent elites and tend to result in concentrated inflows In Part II this is contrasted with the way democratic states attract investment through institutional protections and public benefits In this way the author uncovers that authoritarian and democratic states achieve investor confidence through alternate paths to predictability one based on eliminating opposition through political consolidation and the other based on impartial rules and legal protections designed to constrain the excesses of political competition The theory s central premise that the concentration of economic influence with fewer economic elites is corrosive to political competition and institutional quality carries huge significance for the study of both authoritarian and democratic governance quality

*National Suicide* Martin L. Gross, 2009-09-01 From the New York Times bestselling author of *The Government Racket* A Call for Revolution and *The Tax Racket* comes a scathing indictment of the dysfunctional federal government and its reckless disregard for the future of our country The government of the United States is a juggernaut of mismanagement malfeasance and incompetence Despite the strong foundation laid down by the founding fathers it is headed to extinction From the Alternative Minimum Tax to Zip Codes New York Times bestselling author Martin L Gross outlines the programs that have exploded financially the laws that had completely unintended consequences and the scams perpetrated by legislators intent upon remaining in office no matter what the cost to the nation and its citizens

*Moral Education* M. W. Berkowitz, F. Oser, 2013-10-28 First published in 1985 Kohlberg and his colleagues claimed that all one need do in moral education is change the stage or structure of an individual s moral reasoning and changes in moral behavior ego and personality style would occur As moral education entered the 1980s many important problems remained The question of the legitimacy of the highest stage is still being considered The problem of the relationship between judgment and action is receiving much attention and reformulation as well The role of affect in moral functioning has been sorely overlooked until very recently A further issue is the implication of the particular realm of one s life family school peer group workplace church for the form and effectiveness of moral education Finally how can self acknowledged moral transgressions in typical individuals be incorporated into the theory This volume reflects these problems

*Pocket Manual for the Use of Members of the General Assembly of North Carolina* ,1915 *A Pocket Manual of North Carolina for the Use of Members of the General Assembly* ,1911

*Roads Not Taken* Edward S Krebs, Roger Jeans, Parks Coble, Marilyn M. Levine, 2019-06-18 Studies of the political history of twentieth century China traditionally have been skewed toward a two dimensional view of the major combatants the Chinese Communist Party and the Guomindang Although their struggle undeniably has been the main story it is neither the only nor the complete story During the

Republican period 1912 1949 many ed      **Swiss Democracy** W. Linder, 2010-04-20 An updated 3rd edition of this authoritative analysis of Swiss democracy the institutions of federalism and consensus democracy through political power sharing Linder analyzes the scope and limits of citizens participation in direct democracy which distinguishes Switzerland from most parliamentary systems      *The Political Party as a Social Process ...* Viva Belle Boothe, 1923

Small Is Democratic: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. Small Is Democratic : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
