Chinedu Nnadi, 2025-09-23 The flames tearing across California are more than nature's fury they're a weapon For firefighter Riley Torres wildfire season has always been about grit sacrifice and saving lives But when a blaze ignites in a pattern too precise to be accidental she discovers the unthinkable someone is setting these fires on purpose And the victims aren't just homes and forests they're entire families being driven off land that powerful developers want for themselves Riley's warning falls on deaf ears Her department dismisses her suspicions and soon she becomes a target Threats shadow her every step Colleagues turn cold An accident nearly costs her life Alone and hunted she finds her only ally in Evan Blake a volunteer pilot with scars of his own and a plane just nimble enough to pierce the smoke-filled skies Together Riley and Evan uncover a conspiracy that stretches from corrupt officials to ruthless profiteers all willing to let California burn for profit With each blaze growing deadlier the two must outpace not only the inferno but the killers determined to silence them As walls of fire close in survival becomes more than a battle against nature it's a fight for truth justice and the thousands of innocent lives still in the fire's path *Smoke Screen* is a pulse-pounding thriller of courage and conspiracy where the greatest danger hides not in the flames themselves but in the smoke that conceals the truth

*Smoke Screens* Nita G. Berquist, 2013-12-26 God cannot and will not be discredited by the devil a created angel who disobeyed Him then went on to corrupt all men who don't believe or refuse to believe God's truth *Smoke Screens* looks at some of the counterfeits the devil uses and compares them with the powerful gifts and fruits of God's Holy Spirit Now it is the devil being discredited as God lives and works through His people to show the world how much He loves it
