The perfect gift for seekers the curious and the spiritually hungry The Little Book of Prayers now has a stunning new cover and a more prayer book like format Gathered from holy books and prayer books from songs and spirituals spoken traditions and poets it is an unexpectedly approachable collection of common and uncommon prayers from around the world The entries one per page or spread are chosen for their depth of feeling beauty of expression spiritual intensity and sense of the universal The book is organized into broad categories of praise entreaty contemplation mourning and grace and two indexes one by authorship and the other by topic make it immediately accessible There are familiar prayers like the Lord's Prayer and 23rd Psalm which placed in new context shine with a renewed beauty and wisdom You'll find prayers unfamiliar to many in the West such as the Opener from the Koran or the four vows of the Bodhisattva chanted every evening in Zen monasteries around the world And the surprising from the Prayer of the Unknown Confederate Soldier to the blues of Lightnin' Hopkins to the poetry of Rumi God help us to live slowly To move simply To look softly To allow emptiness To let the heart create for us Amen Michael Leunig You whose day it is make it beautiful Get out your rainbow colors so it will be beautiful Nootka Song
