The Guaranteed Income Next Step In Economic Evolution:

The Guaranteed Income: Next Step in Economic Evolution? Robert Theobald, 1966 Articles on the probable effects of minimum wage in USA Forecast of the impact of technological change on unemployment and the occupational structure Existing patterns of income distribution Effect of guaranteed income on population growth migration and private enterprise Economic implications social implications and psychological aspects Social security References **The Guaranteed Income** Robert Theobald, 1966 *The Guaranteed Income* Robert Theobald, 1970 **The guaranteed income: next step in economic evolution?** Garden City, N.Y., Doubleday, 1966 bibls Robert Theobald, **The Future of Social Security Policy** Ailsa McKay, 2005-07-25 Current debates concerning the future of social security provision in advanced capitalist states have raised the issue of a citizen s basic income CBI as a possible reform package a proposal based on the principles of individuality universality and unconditionality which would ensure a minimum income guaranteed for all members of society Implementing a CBI would consequently entail radical reform of existing patterns of welfare delivery and would bring into question the institutionalized relationship between work and welfare Ailsa McKay s book makes a unique and positive contribution to the CBI literature by examining the proposal from a feminist economics perspective Gender concerns are central to any debate on the future of social security policy in that state intervention in the field of income redistribution has differential impacts on men and women By drawing attention to the potential a CBI has in promoting equal rights of freedom for men and women this book serves to open up the debate to incorporate a more realistic and inclusive vision of the nature of modern socio economic relationships **Economic Policies and Practices** , 1968 **Hearings, Reports and Prints of the Joint Economic Committee** United States. Congress. Joint Economic Committee, 1967 *Congressional Record* United States. Congress, 1967 **The Struggle Over Work** Shaun Wilson, 2004-07-31 The future of work in advanced industrial democracies is the subject of intense debate and public concern Despite predictions that working hours would fall and leisure time would rise as society progressed the opposite has in fact occurred This new book contains a twofold investigation into the end of work with theoretical and policy angles contributing to the growing research field on the boundaries of economics and sociology *World Democratic Federalism* M. Frankman, 2004-03-31 Myron J Frankman provides an interrelated set of initiatives whose components are consistent with the logic of both the process of globalization and the emerging properties of our time Sustainability democratization equal opportunity diversity and peace He brings together the case for global public finance a single world currency and a planet wide citizen s income all within the context of democratic federalism extending from the local to the global
