The Gypsies Bride:

The Gypsy's Bride Jean Rattay, 2013-08-06 In the England of 1218 King John is dead and his young son is on the throne guided by the aging William Marshall of England All of the vast domains of John's father on the Continent have been lost and the rebellious barons are held to a fragile truce It is very much a man's world When Elise of DeBouchet defies the step uncle who has laid claim to her estates and refuses to marry any of the men he chooses he gives her an ultimatum You do not need your eyes to speak the vows or get an heir You will do as I say or I will have your eyes put out Elise says she would rather marry any man than the one before her Her uncle counters with The next man through the gate will be your husband be he prince or serf Elise agrees because she doesn't want to be blinded Her uncle has taken her mother and younger sister hostage and she needs time to find some clue as to where he holds them When Louis of Kirkfield a Romani merchant walks over the bridge and through the gate of the closest castle his only thought is to buy a horse to replace his lame packhorse He is overwhelmed by four brawny men and badly beaten then forced to say vows before a priest He and his new bride are thrown into a tower room The door is barred against escape Louis does escape and comes back with an army But Elise's mother and sister cannot be located and they follow the trail to France and her grandmother The more they know the more they find out the bigger the scheme becomes and they are now searching for a double agent a money lender a lawyer and an assassin The wealthy young bride and her gypsy must follow the trails and learn to work together to make their marriage work and therein lies the tale

Gypsy Bride Sam Skye Lee, 2011-08-18 I felt like Cinderella Sleeping Beauty Snow White and all the other fairy tale princesses and Pat was my Prince Charming Sam Skye Lee had often thought about getting married but never imagined that her dress would be bright pink with flashing lights and weigh a staggering 20 stone But then she didn't count on having a gypsy wedding It's rare for a gorgon or non traveller to marry into the gypsy community But after a shocking childhood tragedy Sam found the comfort she needed from an unexpected source Patrick and his family of travellers Gypsy Bride is the heartwarming true story of how an ordinary girl finds herself discovering an extraordinary world A place where grabbing is a sign a boy fancies you six year olds get spray tans and christenings weddings and funerals are jaw droppingly flamboyant This love story is more than boy meets girl It's about a girl who falls in love with a whole race of people and their wonderful ways

The Gypsy's Bride Rosalie Ash, 1991

A Gypsy's Bride Chloe Glint, 2012-11 When Sir Clay of York gambles with a gypsy named Luca he doesn't expect to lose his coins as well as his pride due to the gypsy's cheating ways He doesn't expect to lose his daughter Rosie in the mix either While he has no love for Rosie with her pale skin white hair and red eyes he detests that he has been bested by the hated gypsies and he vows revenge He will give Luca his daughter but he will find a way to get her back and get even with the gypsies at the same time The gypsy Luca needs a wife after his father stole his betrothed from him years earlier and so he tells the Englishman Bring your daughter to me one week from now In the gypsy world gypsies marry gypsies and now Luca must face the consequences of his bet After having been imprisoned

and beaten in her own home Rosie is both thrilled and frightened when she hears that she is to be wed Though she knows nothing of this man she never dreamed that she would ever be allowed to leave her father s house When she asks about her wedding and the man who is to be her husband Rosie s father refuses to tell her anything Then she realizes something horrible Her betrothed knows nothing of her strangeness Excerpt He s a gypsy Father married me to a gypsy They were thieves thieves who stole from hard working people and traveled around England in carriages Rosie had heard that gypsies were ruffians and oftentimes beat their wives and had many wicked children who were just like their parents And that was who she would marry She had been fearful before when she figured out that her father had not told her husband to be about her strangeness but that was nothing like the fear she felt now Luca would probably beat her and lock her away Either that or he would push himself upon her and breed wicked evil children As Luca approached the camp he felt Rosie s trembling and found himself pitying her She isn t so bad he thought peering at her Luca s hand was rough and callused like sandpaper What will these hands feel like touching my breasts my stomach or even my She met Luca s eyes and they appeared to be smoldering Shall we go to bed he asked stroking her cheek with one of his rough hands Rosie nodded Your virtue is still intact he said Has no one explained to you what will happen when you mate with a man for the first time Rosie shook her head and Luca s eyes darkened Rosie heard Luca climb into the back of the house wagon and head toward her on all fours He began to undo his shirt and Rosie watched him with interest as he revealed tan hard flesh below She smiled and he leaned down and kissed her gently His lips were probing and tender yet she felt electricity fill her body at his warmth As Luca continued to kiss her he reached downward and touched the sensitive area at her hip She moaned and squirmed at his touch and he chuckled against her lips filling her with electricity She reached down fingering the top of his undergarments She was curious and yet she had never touched him Luca broke the kiss and gazed at her with a heated stare as her hand lingered Is it okay if I But she was too embarrassed to finish the sentence Is it okay if you what Luca asked Rosie s cheeks grew hot at the thought of what she wanted Is it okay if I touch you she asked knowing that this was the root of his carnal pleasure
