John Lewis Burckhardt

The Hadj:

The Hadj Michael Wolfe, 2013-11-19 With this impassioned memoir an American convert to Islam lifts the veil on this ancient and sacred duty of making a pilgrimage to Mecca Publishers Weekly The hadj or sacred journey is the pilgrimage to Mecca that all Muslims are enjoined to make once in their lifetimes One of the world's oldest religious rites the hadj has continued without break for fourteen centuries It is like most things Islamic shrouded in mystery for Westerners Here Michael Wolfe an American born writer and recent Muslim convert recounts his experiences on this journey Wolfe begins his narrative in Marrakech Morocco Beginning with the month long fast of Ramadan he immerses himself in the traditional Muslim life of Morocco Then in Tangier he visits mystics and the American author Paul Bowles From there he journeys to Mecca the sacred desert city in Saudi Arabia closed to all but Muslims Though the buildup to the Gulf War hovers in the background the age old rites of the hadj are what most preoccupy Wolfe His experience profoundly strengthens his bond to the faith he has embraced as an outsider making it personal and alive At a time when the eyes of the world are on Islam The Hadj offers a much needed look at its human face

The Hajj Eric Tagliacozzo, Shawkat M. Toorawa, 2016 Scholars from a range of fields tell the story of the Hajj and explain its significance as one of the key events in the Muslim religious calendar This volume pays attention to the diverse aspects of the Hajj as lived every year by hundreds of millions of Muslims worldwide

The Hajj and Europe in the Age of Empire, 2016-10-05 The present volume focuses on the political perceptions of the Hajj its global religious appeal to Muslims and the European struggle for influence and supremacy in the Muslim world in the age of pre colonial and colonial empires In the late fifteenth century and early sixteenth century a pivotal change in seafaring occurred through which western Europeans played important roles in politics trade and culture Viewing this age of empires through the lens of the Hajj puts it into a different perspective by focusing on how increasing European dominance of the globe in pre colonial and colonial times was entangled with Muslim religious action mobility and agency The study of Europe's connections with the Hajj therefore tests the hypothesis that the concept of agency is not limited to isolated parts of the globe By adopting the tools of empires the Hajj in itself a global activity would become part of global and trans cultural history With contributions by Aldo D Agostini Josep Lluís Mateo Dieste Ulrike Freitag Mahmood Kooria Michael Christopher Low Adam Mestyan Umar Ryad John Slight and Bogusław R Zagórski

for its diverse styles ranging from narrative prose to vivid descriptive passages offering readers a multifaceted view of the geopolitical landscape of the era Bringing together the fine literary talents of Louisa Annette Edla Drummond Hay Brooks and Alice Emily Drummond Hay this anthology is a testament to the profound insights gained through inherited experiences and firsthand accounts The Drummond Hay family has long been associated with nuanced explorations of historical and cultural themes and this collection stands as a continuation of their legacy The contributors collectively embrace the intersection of personal narrative and historical documentation situating Sir John Drummond Hay's life within broader colonial and diplomatic frameworks This anthology is an essential exploration for readers intrigued by the interplay of cultures and the footprints of colonial legacies Emphasizing the compelling narratives and the wealth of perspectives it contains the volume provides an invaluable educational resource for understanding the confluence of politics culture and history With its rich insights and diverse viewpoints *A Memoir of Sir John Drummond Hay Minister at the Court of Morocco* encourages a deeper appreciation of the dialogue between past and present **The Sketch**, 1903 **The British Empire and the Hajj** John Slight, 2015-09-21 The British Empire governed more than half the world's Muslims John Slight traces the empire's complex interactions with the Hajj the annual pilgrimage to Mecca from the 1860s when an outbreak of cholera led Britain to engage reluctantly in medical regulation of pilgrims to the Suez Crisis of 1956 He gives voice to pilgrims and officials alike The Hadj Michael Wolfe, 1994 **The White Kaid of the Atlas** James Maclaren Cobban, 1895

Geographic News Bulletins, 1926 **Decolonising the Hajj** Matthew M. Heaton, 2023-05-23 Muslims from the region that is now Nigeria have been undertaking the Hajj for hundreds of years But the process of completing the pilgrimage changed dramatically in the twentieth century as state governments became heavily involved in its organization and management Under British colonial rule a minimalist approach to pilgrimage control facilitated the journeys of many thousands of mostly overland pilgrims Decolonization produced new political contexts with nationalist politicians taking a more proactive approach to pilgrimage management for both domestic and international reasons The Hajj which had previously been a life altering journey undertaken slowly and incrementally over years became a shorter safer trip characterized by round trip plane rides In examining the transformation of the Nigerian Hajj this book demonstrates how the Hajj became ever more intertwined with Nigerian politics and governance as the country moved from empire to independence Encyclopedia of Muslim-American History Edward E. Curtis, 2010 A two volume encyclopedia set that examines the legacy impact and contributions of Muslim Americans to U S history Travels in Syria and the Holy Land John Lewis Burckhardt, 2019-11-22 In *Travels in Syria and the Holy Land* John Lewis Burckhardt presents a captivating narrative that intricately blends personal observation with historical and cultural insights Writing in the early 19th century Burckhardt employs a vivid and descriptive literary style that transports readers to the landscapes and societies of the Middle East His eloquent prose captures the complexities of the region highlighting both its physical beauty and the rich

tapestry of its heritage while also addressing the socio political context of the time including the interactions between travelers and local cultures Burckhardt a Swiss explorer and scholar was deeply influenced by his passion for geography and antiquities dedicating much of his life to exploring the Near East His foregrounding of empirical observation in a largely uncharted territory of his day was pioneering and his scholarly pursuits were driven by a desire to document the often overlooked histories of the Arabs and the significance of the Holy Land His adventurous life was marked by both scholarly ambition and the challenges of travel in a politically charged environment I highly recommend *Travels in Syria and the Holy Land* to readers interested in rich travel narratives that offer nuanced perspectives on culture and history This book not only serves as an invaluable resource for students of Middle Eastern history but also enchants lovers of literature with its expressive style and authoritative insights
