

The Haunting Possibility

David Appelbaum

The Haunting Possibility:

The Haunting Possibility Susan Fletcher, 1988 An excellent job The plot moves smoothly with nuggets of suspense dropped in just often enough School Library Journal *Haunting Biology* Emma Kowal, 2023-10-13 In *Haunting Biology* Emma Kowal recounts the troubled history of Western biological studies of Indigenous Australians and asks how we now might see contemporary genomics especially that conducted by Aboriginal and Torres Strait Islander scientists Kowal illustrates how the material persistence of samples over decades and centuries folds together the fates of different scientific methodologies Blood bones hair comparative anatomy human biology physiology and anthropological genetics all haunt each other across time and space together with the many racial theories they produced and sustained The stories Kowal tells feature a variety of ghostly presences a dead anatomist a fetishized piece of hair hidden away in a war trunk and an elusive white Indigenous person By linking this history to contemporary genomics and twenty first century Indigeneity Kowal outlines the fraught complexities perils and potentials of studying Indigenous biological difference in the twenty first century

Jacques Derrida's Ghost David Appelbaum, 2009-07-01 A spirited reading of Derrida's view of ethics as transcendental and performative *Geographies of Postsecularity* Paul Cloke, Christopher Baker, Callum Sutherland, Andrew Williams, 2019-01-03 This book explores the hopeful possibility that emerging geographies of postsecularity are able to contribute significantly to the understanding of how common life may be shared and how caring for the common goods of social justice well being equality solidarity and respect for difference may be imagined and practiced Drawing on recent geographic theory to recalibrate ideas of the postsecular public sphere the authors develop the case for postsecularity as a condition of being that is characterised by practices of receptive generosity rapprochement between religious and secular ethics and a hopeful re enchantment and re shaping of desire towards common life The authors highlight the contested formation of ethical subjectivity under neoliberalism and the emergence of postsecularity within this process as an ethically attuned politics which changes relations between religion and secularity and animates novel hopeful imaginations subjectivities and praxes as alternatives to neoliberal norms The spaces and subjectivities of emergent postsecularity are examined through a series of innovative case studies including food banks drug and alcohol treatment refugee humanitarian activism in Calais homeless participatory art projects community responses to the Christchurch earthquakes in New Zealand amongst others The book also traces the global conditions for postsecularity beyond the Western and predominantly Christian secular nexus of engagement This is a valuable resource for students in several academic disciplines including geography sociology politics religious studies international development and anthropology It will be of great interest to secular and faith based practitioners working in religion spirituality politics or more widely in public policy urban planning and community development **Haunted Bodies** Anne Goodwyn Jones, Susan Van D'Elden Donaldson, 1997 In *Haunted Bodies* Anne Goodwyn Jones and Susan V Donaldson have brought together some of our most highly regarded southern

historians and literary critics to consider race gender and texts through three centuries and from a wealth of vantage points Works as diverse as eighteenth century court petitions and lyrics of 1970s rock music demonstrate how definitions of southern masculinity and femininity have been subject to bewildering shifts and disabling contradictions for centuries

"Christianity, Democracy, and the Radical Ordinary" Romand Coles, Stanley Hauerwas, 2010-02-25 These essays reflect possibilities and practices of radical democracy and radical ecclesia that take form in the textures of relational care for the radical ordinary Hauerwas and Coels point out political and theological imaginations beyond the political formations which seems to be the declination and the production of death The authors call us to a revolutionary politics of wild patience that seeks transformation through attentive practices of listening relationship building and a careful tending to places common goods and diverse possibilities for flourishing

Updike and the Patriarchal Dilemma Mary O'Connell, 1996 A disturbing element exists O Connell determines in both the texts of the Rabbit novels and in the critical community that examines them In the novels O Connell finds substantial evidence to demonstrate patterns of psychological and physical abuse toward women citing as the culminating example the mounting toll of literally or metaphorically dead women in the texts

New Perspectives on Sartre Adrian van den Hoven, Adrian Mirvish, 2010-05-11 This volume deals with a number of topics that have not previously been specifically addressed before in a single text A chapter on Sartre and religion talks about his thought in relation to Christianity Judaism and Buddhism while one on Sartre and children discusses his work in relation to the issues of freedom pregnancy and autism Beyond this there are an additional seven chapters covering a wide variety of topics by leading scholars in the fields of philosophy literature psychology history and political thought While prior publications on Sartre have generally divided his work into two periods pre and post Marxist this volume deliberately stresses a middle and final period as well As representative of the middle period there is an emphasis on Notebooks for an Ethics while Sartre's last work *Hope Now* is also treated as being philosophically significant in its own right This approach helps to cast a new light on what Sartre has to say about authenticity childhood and consciousness as embodied among other subjects The volume also addresses many and diverse issues of current interest including those of freedom Marxism and Sartre's relation to ethics There are sections of the book that deal with history and the historical situations that helped to shape Sartre's thought as well as articles that deal with Sartre as a specifically French thinker A chapter deals with Sartre's relation to women and here the issues of maternity as problematic plus authentic adult relationships are discussed Finally in addition to authors in philosophy and literature there are articles by a child psychiatrist and a clinical psychologist to help to provide new insights on Sartre's work Even as an academic philosopher Sartre always remained an iconoclast and the aim of this book is at least partially to capture and provide the reader with insight into this spirit

Late Godard and the Possibilities of Cinema Daniel Morgan, 2013 *Late Godard and the Possibilities of Cinema* is an exhilarating and extremely lucid analysis of the way Godard thinks in of and through cinema Drawing on his extensive knowledge of French culture

politics and theory Morgan skillfully illustrates the complex relations between history aesthetics and nature in the director's later works Defying criticism of Godard's alleged retreat from politics this book provides compelling detailed and erudite analyses of his later films and illuminates the auteur's political and aesthetic response to the so called death of cinema Mary Ann Doane author of *The Emergence of Cinematic Time Modernity Contingency the Archive* Daniel Morgan charts a sensible route into the impenetrable Jean Luc Godard Posing clear yet insistent questions he burrows to the center of both parts of this book's formidable title finding in late Godard an aesthetic fusion that generates the light and heat of a trenchant and powerful political critique Anyone who feels drawn or licensed to write about Godard should read Morgan before setting out Dudley Andrew author of *What Cinema Is* Daniel Morgan's *Late Godard and the Possibilities of Cinema* signals a major breakthrough in the international study of the cinema of Jean Luc Godard Reconciling the filmmaker's peculiarly Romantic sense of aesthetics to which the book pays scrupulous material attention with the thorny political histories that Godard's cinema has always probed Morgan gives us new compelling synthetic tools with which to understand an artist who is at once the most cryptic and the most sensuous of all living filmmakers Adrian Martin Monash University co editor of *lolajournal.com*
