The Heart Of Man:

The Heart of Man Andrew Wommack, 2024-11-05 Are you seeking a better relationship with God Do you want to serve the Lord but believe something is holding you back Your life is the way it is not because of outside circumstances but because of what you believe in your heart As your heart goes so goes your life In this booklet learn how to Protect your heart at all costs Not just be a housebroken sinner Inspect the fruit of your life Use your master control system *The Heart of Man. The Heart of God.* Irving W. Risch, 2015-09-14 The mind is an amazing thing but it is just part of the heart Let me explain When the Bible refers to the metaphorical heart it includes our mind our thought life our desire our emotions and our will our decision making This makes up our character who we really are In this writing I would like to look at the heart of man and then the heart of God The first three parts of this writing is based on three messages given by Charlie Fizer at the Hiawatha Bible Chapel in Wabasha Minnesota I have added my thoughts to his teachings plus seeing his teaching was about the heart of man I am adding a fourth part on the heart of God to round off his lessons on the heart of man Charlie Fizer is retired from Emmaus Bible College and is now serving the Lord by traveling to small churches across the US and Canada teaching God's Word He also holds a position as Chaplain in Dubuque IA Where he and his wife Darlene live Charlie and Darlene also served as missionaries in Japan for many years As we start to look at the heart of man we see something that happens over and over again in all mankind and this includes men and women alike When a person sins it happens like this First the thought is conceived in the mind we think about something like David did when he looked at Bathsheba and started to lust after her Then that thought started to develop within the heart It became a desire of the heart Then by the will one acted on that desire so becoming an act of sin This is the case for every sin we commit or action we take whether good or bad It starts in the thought process of the heart which is called the mind We are so programmed to think when we hear the word heart we start to think about the organ in our chest that pumps the blood throughout our bodies This is true but when we hear the word in the Bible it always mean the most inner part of man's makeup except for two places where it meant the organ that pumps blood It is who you really are It has to do with your intellect feelings your will and all your desires It also can mean the most center part of you It is where everything in you comes from Let us look at the way we use this word and some of the meanings the idioms we use First at heart We use this in reality fundamentally basically Then when we say break someone's heart we mean to cause someone to be devastated by sorrow or disappointment If you say I can say that by heart you mean you can do it entirely from memory There are so many more like this eat your heart out have a heart have one's heart in the right place lose one's heart to and this list can go on and on All these idioms deal with what we are talking about here If you don't think this subject is important just think of this The word heart is found 835 times and is in 775 verses in the New King James Bible NKJV A side note I did a search on BibleGateway.com and searched the entire Bible for the word heart in the New King James Version Bible and it is found 926 times In any case it is found many times Let me ask some questions Have

you ever questioned the motivation of your heart Or have you ever thought yourself to be something Then maybe you have never read verses like For if anyone thinks himself to be something when he is nothing he deceives himself Galatians 6 3 or If anyone among you thinks he is religious and does not bridle his tongue but deceives his own heart this one's religion is useless James 1 26 Maybe one last verse The heart is deceitful above all things and desperately wicked who can know it Jeremiah 17 9 Wow This should make us question our hearts all the time but the truth is not many of us do this We trust our hearts even though the Bible tells us not to This will lead us down the wrong path every time Let us try to understand the heart of man by what the scriptures tell us about it First the heart is the thinking aspect of man We read in Proverbs 23 7 NKJV For as he thinks in his heart so is he Then Jesus asks in the New Testament For out of the heart proceed evil thoughts And again he said Why do you think evil in your hearts There are so many scriptures that tell us this Matthew 9 4 15 19 24 48 Luke 2 19 just to mention a few Now the question is Does it make a difference in the way I think What does my eternal destiny have to do in the way I think Or maybe to put it another way Am I responsible for the way I think I say a big YES Again the scriptures tell us affirmative For to be carnally minded is death but to be spiritually minded is life and peace Because the carnal mind is enmity against God for it is not subject to the law of God nor indeed can be Romans 8 6 NKJV Remember the mind is part of the heart Whatever things are true whatever things are just whatever things are pure whatever things are lovely whatever things are of good report if there is any virtue and if there is anything praiseworthy meditate on these things Philippians 4 8 NKJV I believe there is a lot said about our thought life because that is where sin starts We have to remember because of the fall our heart changed We need a heart transplant which we will talk about later Now if our thought life is wrong it will now make our actions wrong Even when we think we are doing good sin enters in by way of pride and pride is sin Are we messed up or what All right now after we have wrong thoughts then our desires and will come into play Our thoughts control our desires an emotion which in turn controls our will our actions With all this in mind let us move on with this subject We are going to start a three part study plus one on the heart which I described above Let us start with this scripture and Charlie Fizer's first message [The Heart of Man](#) Erich Fromm, 2023-02-28 The acclaimed social psychologist and New York Times bestselling author of The Art of Loving discusses the nature of evil and humanity's capacity for it Originally published in 1964 The Heart of Man was influenced by turbulent times Average Americans were suffering from different forms of evil including a rise in juvenile delinquency On a grander scale the threat of nuclear war loomed over the nation and President John F Kennedy had been assassinated What could drive humanity to do things such as these In The Heart of Man renowned humanist philosopher and psychoanalyst Erich Fromm investigates man's capacity to destroy his narcissism and his incestuous fixation He expands upon ideas he presented in Escape from Freedom Man for Himself and The Art of Loving and examines the essence of evil as well as the choice between good and evil He also explores man's ability to destroy and further considers freedom aggression destructiveness and violence The Heart of Man questions

human nature itself from the forms of violence that plague it to individual and social narcissism to how the positive value of love of life can potentially outweigh the destructive syndrome of decay caused by the love of death and other harmful tendencies of thought Midwest Book Review *The Heart of Man; God's Target* Alfredo Harold Geil,2009-08 The Heart of Man God s Target Part One is Harold s autobiography It is a captivating account beginning with the author s parents leaving Germany at the end of World War I and settling in Buenos Aires Argentina where Harold was born and raised He became fluent in three languages and at age twenty was drafted into the Argentinean Army Soon thereafter he was chosen among thousands as the interpreter for the 1952 Argentinean Equestrian Olympic Team that toured Europe for seven months After discharge from the Army Harold enjoyed working for two international German corporations where he held several management positions but political upheaval prompted Harold to fulfill his dream to leave for the USA Part Two outlines hindrances that prevent Christians from truly enjoying God by failing to appropriate the power promises and faith of Jesus Christ Harold Alfredo Geil is a sincere man of God who spent years in the corporate world as an electrical engineer While still in Argentina he married his high school sweetheart and was blessed with two boys Later in the USA they were blessed with a daughter But shortly before retirement his wife of 28 years died Through the pain of this experience and other hardships his desire to comfort the brokenhearted increased In 1984 Harold married Jeanie who shared his vision for ministry Together they have five children twelve grandchildren and two great grandchildren Harold and his wife Jeanie have been a tangible gift of love to many In 1995 they founded Fullness of Christ Ministries Inc bringing God s healing to the brokenhearted So it should be of no surprise that a man who walks so closely with God exudes genuine fatherly love and the preciousness they both manifest extends into their marriage and to their children and families The Heart of Man Jon Kalman Stefansson,2015-12-22 After coming through the blizzard that almost cost them everything Jens and the boy are far from home in a fishing community at the edge of the world Taken in by the village doctor the boy once again has the sense of being brought back from the grave But this is a strange place with otherworldly inhabitants including flame haired lfhei ur who makes him wonder whether it is possible to love two women at once he had believed his heart was lost to Ragnhei ur the daughter of the wealthy merchant in the village to which he must now inexorably return Set in the awe inspiring wilderness of the extreme north The Human Heart is a profound exploration of life love and desire written with a sublime simplicity In this conclusion to an audacious trilogy Stef nsson brings a poet s eye and a philosopher s insight to a tale worthy of the sagasmiths of old **The Heart of Man's Destiny** Herman Westerink,2012 The Heart of Man s Destiny is a new reading of Lacan s seventh seminar Working from a new perspective it explores the relationship between Freudian psychoanalysis and the Reformation *The Heart of Man. Joseph Ngoma ,2025-10-17 A MAN BEHAVES AS HIS ENTIRE THINGS THAT DWELL IN HIM is not just a book but a revelation for all of humanityboth Christians and non Christians alike This book is meant for people worldwide Inspired and powerfully guided by Joseph Ngoma it seeks to reveal why many individuals behave in strange ways often wondering why they act out or misbehave The truth is people often act according to the spiritual beings that dwell within them Today much of the misbehavior seen in people is not truly their own but rather the influence of animals snakes beasts mermaids and other creatures that possess them These beings exert control over many humans including those in churches leading to strange and unruly behavior This is why the need for deliverance is so critical Who can truly know the heart except God No one can fully understand the heart of another This book explores the hidden depths of the human heart revealing how unseen forces influence people s actions often beyond their own awareness
