# The Hellenistic Age Vol 2

**Alexandria Frisch**

## **The Hellenistic Age Vol 2:**

**The Cambridge History of Judaism: Volume 2, The Hellenistic Age** W. D. Davies, Louis Finkelstein, William Horbury, John Sturdy, Steven T. Katz, Mitchell B. Hart, Tony Michels, Jonathan Karp, Adam Sutcliffe, 1984 Vol 4 covers the late Roman period to the rise of Islam Focuses especially on the growth and development of rabbinic Judaism and of the major classical rabbinic sources such as the Mishnah Jerusalem Talmud Babylonian Talmud and various Midrashic collections

**The Book of Acts in its First Century Setting, Volume 2** David W. Gill, Conrad Gempf, 2000-11-24 The results of our rapidly expanded historical and archaeological knowledge have here been brought to bear on the Book of Acts to stunning effect Outstanding as Jackson and Lake was in its day this volume on the Graeco Roman setting of Acts holds out the promise of equaling if not surpassing that great achievement Paul Barnett Bishop of North Sydney Australia This well written volume offers a remarkable up to date collection of relevant new data to assist in scenario formation for a considerate reading of the Book of Acts The largely Australian and British team of authors must be congratulated for preparing this very useful data set There are authoritative descriptions of travel of food supply of domestic and political religion of urban elites and of the Eastern Mediterranean provinces and their leadership Such information about the realm of the Graeco Roman world will enable the interpreter of Acts to bring these data to bear in the process of interpretation Of great use to ancient historians classicists and biblical scholars yet written and presented in such a way that it will be fascinating to intelligent nonprofessionals as well Bruce J Malina Creighton University *Gordion Special Studies, Volume II* Irene Bald Romano, 1995-01-29 This book contains a detailed analytical catalogue of 171 terracotta figurines and figural vessels These are represented in every period at Gordion from the Early Bronze Age The majority dates from the Late Phrygian Hellenistic period when there was a proliferation of imports from Greece Gordion's long and rich history from a Bronze Age center to a Phrygian capital to a market town and Graeco Celtic center makes it unique in the archaeological and historical record of central Turkey University Museum Monograph 86 **Marriage in the Book of Tobit** Geoffrey David Miller, 2011-05-26 Apart from Genesis Tobit contains more information about marriage than any other biblical book It reflects third century beliefs and customs yet also serves a didactic function teaching Diaspora Jews what they should value in their own marriages This monograph elucidates these elements by asking four questions 1 Whom should one marry 2 How does one get married 3 What role does God play in marriage 4 What do actual marriages look like By contextualizing Tobit in light of the Old Testament and relevant Ancient Near Eastern texts one can appreciate the book's unique claims Endogamy is defined more narrowly than in other Old Testament texts as Israelites are now enjoined to marry close relatives Monetary matters such as the payment of the bride price are downplayed while adherence to the Mosaic Law is emphasized in the marriage contract and the wedding ceremony Furthermore intertextual links with Genesis 24 cast Tobiah and Sarah as founders of a new Israel showing that God becomes involved in their marriage so that the nation of Israel will not die out Finally the author's

portrayal of three married couples in the book reveals much about gender roles and also creates a realistic portrait of the marital relationship in terms of communication cooperation and conflict

**Wisdom Literature** Leo G. Perdue, 2007-01-01 The Old Testament's wisdom literature offers one of the most intriguing collections of biblical books Proverbs Job the Psalms about Torah and wisdom Ecclesiastes Qoheleth Ben Sira and the Wisdom of Solomon In this magisterial textbook preeminent wisdom scholar Leo G Perdue sets each book of wisdom in its historical context examining the conditions that produced the book and shaped its thinking This allows him to show how wisdom thought changed over time in response to shifting historical and social conditions In addition to analyzing the historical setting of wisdom Perdue discerns the theological themes and theological developments within this rich literature

The Graeco-Bactrian and Indo-Greek World Rachel Mairs, 2020-11-29 This volume provides a thorough conspectus of the field of Graeco Bactrian and Indo Greek studies mixing theoretical and historical surveys with critical and thought provoking case studies in archaeology history literature and art The chapters from this international group of experts showcase innovative methodologies such as archaeological GIS as well as providing accessible explanations of specialist techniques such as the studies of coins and important theoretical perspectives including postcolonial approaches to the Greeks in India Chapters cover the region's archaeology written and numismatic sources and a history of scholarship of the subject as well as culture identity and interactions with neighbouring empires including India and China The Graeco Bactrian and Indo Greek World is the go to reference work on the field and fulfils a serious need for an accessible but also thorough and critically informed volume on the Graeco Bactrian and Indo Greek kingdoms It provides an invaluable resource for anyone interested in the Hellenistic East The Introduction and Chapter 17 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

**The Danielic Discourse on Empire in Second Temple Literature** Alexandria Frisch, 2016-09-19 In The Danielic Discourse on Empire in Second Temple Literature Alexandria Frisch asks how did Jews in the Second Temple period understand the phenomenon of foreign empire In answering this question a remarkable trend reveals itself the book of Daniel which situates its narrative in an imperial context and apocalyptically envisions empires was overwhelmingly used by Jewish writers when they wanted to say something about empires This study examines Daniel as well as antecedents to and interpretations of Daniel in order to identify the diachronic changes in perceptions of empire during this period Oftentimes this Danielic discourse directly reacted to imperial ideologies either copying subverting or adapting those ideologies Throughout this study postcolonial criticism therefore provides a hermeneutical lens through which to ask a second question in an imperial context is the Jewish conception of empire actually Jewish

**Transforming Authority** Katharina Pyschny, Sarah Schulz, 2021-09-07 Human leadership is a multifaceted topic in the Hebrew Bible from a synchronic as well as diachronic perspective A large range of distributions emerges from the successive sharpening or modification of different aspects of leadership While some of them

are combined to a complex figuration of leadership others remain reserved for certain individuals Furthermore it can be considered a consensus within scholarly debate that concepts of leadership have a certain connection to the history of ancient Israel which is though hard to ascertain Following a previous volume that focused on the Pentateuch and the Former Prophets BZAW 507 this volume deals with different concepts of leadership in selected Prophetic Hag Zech Jer and Chronistic literature Ezr Neh Chr They are examined in a literary religious tradition historical and theological perspective Special emphasis is given to phenomena of transforming authority and leadership claims in exilic post exilic times Hence the volume contributes to biblical theology and sheds new light on the redaction reception history of the texts Not least it provides valuable insights into the history of religious and or political authorities in Israel and Early Judaism s

**Galilee in the Late Second Temple and Mishnaic Periods, Volume 2** David A Fiensy, James Riley Strange, 2015-11-01 This second of two volumes on Galilee in the Late Second Temple and Mishnaic Periods focuses on the site excavations of towns and villages and what these excavations may tell us about the history of settlement in this important period The important site at Sepphoris is treated with four short articles while the rest of the articles focus on a single site and include site plans diagrams maps photographs of artifacts and structures and extensive bibliographic listings The articles in the volume have been written by an international group of experts on Galilee in this period Christians Jews and secular scholars many of whom are also regular participants in the twenty site excavations featured in the volume The volume also features detailed maps of Galilee a gallery of color images timelines related to the period and helpful indices Together with Volume 1 Life Culture and Society this volume provides the latest word of these topics for the expert and nonexpert alike

**Anti-Judaism and the Gospel of John** Mirosław Stanisław Wróbel, 2023-12-04 In the light of the research undertaken in this book the author concludes that the so called anti Jewish texts in Johannine Gospel are not directed against the Jews being an ethnic or religious community The object of the polemic and attacks is not the entire Jewish nation across the span of all the ages but a group of the Jewish leaders or opponents to Jesus in the First Century AD Looking through the prism of the aposynagoga polemic one can notice that the state of tension between the Johannine community and the rabbinic Judaism is inter Jewish not anti Jewish in character The source of the polemical language of the Fourth Gospel is the Christological discussion in the historical and sociological context the Messianic confession the excommunication from the Synagogue the presence of Samaritans in the Johannine community the struggle for the preservation of the identity

## **The Hellenistic Age Vol 2 Book Review: Unveiling the Magic of Language**

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become much more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**The Hellenistic Age Vol 2**," published by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
