in Limitation  
& Possibility*

**Sidney Hook**

New postscript by the author  
With a new introduction by  
Arnold Beichman

# The Hero In History A Study In Limitation And Possibility

**Melanie Nolan**

## **The Hero In History A Study In Limitation And Possibility:**

**The Hero in History** Sidney Hook, The interaction of the individual in history and politics has posed major theoretical questions of historical analysis for the past two centuries is social destiny shaped by forces beyond the power of the individual or can the future be mastered by collective effort under the outstanding leadership of heroic men and women In this classic study a major philosopher and social theorist of the twentieth century offers a searching examination of the conditions under which individuals make choices that significantly alter the course of historical events and presents a scathing critique of various forms of social determinism that deny the individual freedom of action or a decisive role in history The myth of the hero as the savior of the tribe or nation as Hook notes is older than written history Until the nineteenth century the hero functioned not merely as a cult figure but as a principle of historical explanation a key to the rise and fall of countries and even of cultures The exaggerations and omissions of this point of view produced an equally simplistic reaction with the formulation of determinist historiographies in which physical racial social and economic forces replaced individuals as the dynamic factors in the development of events Hook singles out orthodox Marxism as the most all encompassing determinist system and subjects the historical thinking of Engels Plekhanov and Trotsky to sharp and meticulous scrutiny Using the Russian Revolution as a test case Hook observes that while the February 1917 Revolution was an inevitable development the October revolution was according to the best historical evidence contingent upon the personality and actions of Lenin In his 1978 reconsideration of the subject of heroism appearing new to this edition Hook defines a middle ground between the extremes of voluntarism and determinism that explains why the presence of strong personalities are decisive under certain conditions while under others key actors would appear to be almost interchangeable He points us toward an understanding of a fascinating problem in history and raises essential questions about the role of great men and women in a democracy The Hero in History will be of interest to intellectual historians philosophers political scientists and sociologists The Hero in History Sidney Hook, 2008-12-01 Probes how heroes influence the course of history **The Hero in History. A Study in Limitation and Possibility**, 1943 The Hero in History: Study in Limitation and Possibility Sidney Hook, 2025-06-20 Sidney Hook's The Hero in History is a penetrating analysis of the role of individual agency in shaping historical events Engaging with thinkers like Hegel Marx and Carlyle Hook explores the tension between historical determinism and the power of personal decision He classifies heroes into eventful and event making figures arguing that while some merely participate in great events others decisively change the course of history With philosophical depth and political urgency Hook reflects on figures like Lenin Napoleon and Gandhi challenging readers to consider how character circumstance and choice intersect A classic in historical and political theory this work remains vital for anyone examining the forces that move societies The Hero in History Sidney Hook, 2020-12-18 The interaction of the individual in history and politics has posed major theoretical questions of historical analysis for the past two centuries is

social destiny shaped by forces beyond the power of the individual or can the future be mastered by collective effort under the outstanding leadership of heroic men and women In this classic study a major philosopher and social theorist of the twentieth century offers a searching examination of the conditions under which individuals make choices that significantly alter the course of historical events and presents a scathing critique of various forms of social determinism that deny the individual freedom of action or a decisive role in history The myth of the hero as the savior of the tribe or nation as Hook notes is older than written history Until the nineteenth century the hero functioned not merely as a cult figure but as a principle of historical explanation a key to the rise and fall of countries and even of cultures The exaggerations and omissions of this point of view produced an equally simplistic reaction with the formulation of determinist historiographies in which physical racial social and economic forces replaced individuals as the dynamic factors in the development of events Hook singles out orthodox Marxism as the most all encompassing determinist system and subjects the historical thinking of Engels Plekhanov and Trotsky to sharp and meticulous scrutiny Using the Russian Revolution as a test case Hook observes that while the February 1917 Revolution was an inevitable development the October revolution was according to the best historical evidence contingent upon the personality and actions of Lenin In his 1978 reconsideration of the subject of heroism appearing new to this edition Hook defines a middle ground between the extremes of voluntarism and determinism that explains why the presence of strong personalities are decisive under certain conditions while under others key actors would appear to be almost interchangeable He points us toward an understanding of a fascinating problem in history and raises essential questions about the role of great men and women in a democracy The Hero in History will be of interest to intellectual historians philosophers political scientists and sociologists **Sidney Hook** Arnold Beichman, Hoover Institution on War, Revolution and Peace, 1991 *The Hero in History* Sidney Hook (Philosoph), 1945 Henry Kissinger and the American Approach to Foreign Policy Gregory D. Cleva, 1989 This analysis of Henry Kissinger's historical philosophy statecraft and views on international politics reveals Kissinger to be a transitional figure who urged a conversion of American foreign policy from an insular to a continental approach *Biography: An Historiography* Melanie Nolan, 2023-04-03 *Biography An Historiography* examines how Western historians have used biography from the nineteenth century to the present considering the problems and challenges that historians have faced in their biographical practice systematically This volume analyses the strategies and methods that historians have used in response to seven major issues identified over time to do with evidence including but not limited to the problem of causation the problem of fact and fiction the problem of other minds the problem of significance or representativeness the problems of perspective both macro and micro and the problem of subjectivity and relative truth This volume will be essential for both postgraduates and historians studying biography Thomas Eakins Elizabeth Johns, 1991-02-01 Why did Thomas Eakins now considered the foremost American painter of the nineteenth century make portraiture his main field in an era when other major artists disdained such a choice With a rich

discussion of the cultural and vocational context of the late nineteenth and early twentieth centuries Elizabeth Johns answers this question

The book delves into The Hero In History A Study In Limitation And Possibility. The Hero In History A Study In Limitation And Possibility is a vital topic that needs to be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into The Hero In History A Study In Limitation And Possibility, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
    - Chapter 1: Introduction to The Hero In History A Study In Limitation And Possibility
    - Chapter 2: Essential Elements of The Hero In History A Study In Limitation And Possibility
    - Chapter 3: The Hero In History A Study In Limitation And Possibility in Everyday Life
    - Chapter 4: The Hero In History A Study In Limitation And Possibility in Specific Contexts
    - Chapter 5: Conclusion
  2. In chapter 1, this book will provide an overview of The Hero In History A Study In Limitation And Possibility. This chapter will explore what The Hero In History A Study In Limitation And Possibility is, why The Hero In History A Study In Limitation And Possibility is vital, and how to effectively learn about The Hero In History A Study In Limitation And Possibility.
  3. In chapter 2, the author will delve into the foundational concepts of The Hero In History A Study In Limitation And Possibility. The second chapter will elucidate the essential principles that must be understood to grasp The Hero In History A Study In Limitation And Possibility in its entirety.
  4. In chapter 3, this book will examine the practical applications of The Hero In History A Study In Limitation And Possibility in daily life. This chapter will showcase real-world examples of how The Hero In History A Study In Limitation And Possibility can be effectively utilized in everyday scenarios.
  5. In chapter 4, the author will scrutinize the relevance of The Hero In History A Study In Limitation And Possibility in specific contexts. The fourth chapter will explore how The Hero In History A Study In Limitation And Possibility is applied in specialized fields, such as education, business, and technology.
  6. In chapter 5, the author will draw a conclusion about The Hero In History A Study In Limitation And Possibility. The final chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of The Hero In History A Study In Limitation And Possibility.
