The Book of John Lin Johnson, 2006-11-12 No other book in the Bible presents Jesus Christ and his ministry more clearly than the Book of John No other guide makes his ministry more understandable than The Smart Guide to the Bible The Book of John Walk with Jesus as he recruits the twelve disciples Sit down on the hillside and listen as he teaches the parables Watch as Jesus performs miracle after miracle And at every step along the way understand the critical concepts and life changing lessons Jesus wants you to learn The Smart Guide to the Bible is a series of simplified commentaries designed to uncomplicate God's word for everyday Bible readers Every page contains handy features or learning aids like these cross references to other Scriptures brief commentaries from experts points to ponder the big picture of how passages fit with the entire Bible practical tips for applying biblical truths to life simple definitions of key words and concepts interesting maps charts and illustrations wrap ups of each biblical passage study questions Whether you're new to the Bible a long time student of Scripture or somewhere in between you'll appreciate the many ways The Smart Guide to the Bible The Book of John goes far beyond your typical Bible study tool The practical relevant helps on each page lead you to get the most out of God's word

Untying God's "Nots" Troy J. Edwards, 2016-07-12 If a nation marches against you know that I am not behind it Isaiah 54:15a The Voice A common phrase used by many Christians particularly when there is some tragic event is that God is in control Many people mean different things by the statement however the majority of those who use the statement believe that God initiated the tragic event and had a secret mysterious plan to bring some unknown good from it We believe that such a teaching casts aspersions on God's character Besides the origins of this teaching is not from the Bible but is derived from pagan philosophy Throughout these pages we will look at a number of arguments and Scriptures used by proponents of this teaching and show the reader that it does not line up with the Bible's teaching about God The reader will also learn that this teaching is a tool of Satan to keep Christians passive so that they will not stand against him in the authority of Christ's victory over him

The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume Five James Leo Garrett Jr., 2022-03-29 James Leo Garrett Jr has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians In The Collected Writings of James Leo Garrett Jr 1950-2015 the reader will find a truly

Go Fish Shonn Keels,2022-01-04 Go Fish addresses one of the greatest challenges in the American evangelical church today APATHY Research reveals a very small percentage of the church is actively engaged in the mission of God This research also points out many in the church are comfortable with their disobedience to the Great Commission Go Fish is an actual Doctor of Ministry research project and it offers an answer for the church today This resource is academic Biblical and practical

God in Slow Motion Mike Nappa,2013-08-20 Jesus was not in a hurry He had only three years of public ministry three years to heal and teach and change the world but the Bible never tells us he was rushing through them We are the ones who rush through them Catching the gist of this parable Smiling at the punch line in that dialogue We can race through the Gospels in hours fully briefed on Christ's life but hardly changed Until we sit down with Mike Nappa's *God in Slow Motion* Nappa hasn't carved up the Gospels for quick review or sliced them into tiny pieces for academic study He has taken ten important moments from the life of Christ and reveled in them chewing on their words relating them to life comparing them with modern culture allowing the Spirit to work and letting Christ change him The result is a rich personal and biblical narrative about Jesus and how His purposes unfold then and now See how God is sneaky about his glory How he presents evidence for belief How he can be comforting and terrifying at once This is the good news in all its many splendors wonder the life of Christ frame by frame And it is worth every minute because it will change you too

[The New Guidebook for Pastors](#) James W. Bryant,Mac Brunson,2007-06-01 Church leaders young and old will find professional advice and inspirations worth revisiting time and again throughout their ministry career in The New Guidebook for Pastors

More than a Symbol Stanley K. Fowler,2007-03-01 More than a Symbol seeks to demonstrate that the interpretation of baptism as a mere symbol bearing witness to a previously completed conversion experience is inadequate both as a summary of biblical teaching and as a summary of Baptist thought Starting with H Wheeler Robinson and culminating in the work of G R Beasley Murray British Baptists in the twentieth century argued effectively that baptism must be interpreted as an effective sign a meeting place of grace and faith a sacrament rather than a mere symbol This book argues that the New Testament exegesis that is at the heart of this reformulation is fundamentally accurate and that the resulting system is theologically coherent The book also argues that this view is not a Baptist novelty but is rather a recovery of the foundational Baptist thought of the seventeenth century

Christian Theology Adam Harwood,2022-10-19 The church has been entrusted with God's

revelation and to steward the word of truth we must confess the Bible's teaching with clarity and conviction Adam Harwood's Christian Theology is both biblically faithful and historically informed providing a fresh synthesis of the essential doctrines of the faith Writing from a Baptist perspective Harwood brings fresh insights that many systematic theologies lack With readable prose suggestions for further study and discussion questions Christian Theology will equip students and pastors to clarify and articulate what they believe and why **We Are All Witnesses** Mitzi J. Smith, Michael Willett

Newheart, 2023-02-10 We Are All Witnesses is a remarkable sassy creative disruptive and deeply personal textbook It is like no other text on biblical interpretation Smith and Newheart have produced a groundbreaking milestone book about how to do biblical interpretation that prioritizes justice and the reader's context It is both memoir and metatestimony The layperson college students and seminary students will find this book accessible It is indeed creative witty and wayward
