GTO: 14 Days in Shonan 5 Toru Fujisawa, 2022-02-01 In the fifth volume of 14 Days in Shonan, Eikichi Onizuka, the Great Teacher, has a very unique assignment to take on. Normally, he spends most of his time teaching teens life lessons. He uses the school of hard knocks technique to open people's hearts. However, in this situation, the GTO must make an effort to reunite a child with his mother. He must also teach the child that sometimes choosing family is not the right solution. Everyone would like to have a happy household. Being able to sit by the dinner table to discuss the day's highlights is an ideal that is not reality for millions across the globe. And in the case of the teens at the White Swan, such realities are generally fictitious because of a variety of reasons. That does not excuse anyone involved from wishing for such a life, but changing the hearts of adults often means changing their lives at their core. Words or fisticuffs will not be enough. So Seiya, a young man who appears to be on the way to a pleasant self-reliant life, turns to violence to try to get his mother and family life back. But what happens when your very own mother is willing to take a knife at you? Well, this is Seiya's reality. And this is one lesson Onizuka will hate to have taught. Then the spotlight turns to Onizuka's employer, Great Vice Principal Uchiyamada. He's also in Shonan and on the hunt for Onizuka. But out of his element and turf, this educator is now caught up in a wild ride through the Tokyo suburbs.

Hum Little Birdie Jonathan Fredrick, 2023-02-07 A West Virginia PI uncovers a deadly criminal conspiracy in this crime novel by the author of Cash City. Two years removed from the events of Cash City, PI Nick Malick's life is oddly normal. He has a solid relationship with his girlfriend and her son and plenty of investigative work from a local law firm. Meanwhile, after decades of economic decline and a crippling crime wave, Cain City is undergoing a major revitalization. But the sunny outlook is quickly clouded over by Malick's latest investigation. Soon Malick finds himself tugging the threads on a criminal conspiracy that touches all rungs of Cain City society, from the squalid street corners to the prosperous upper crust. As the body count rises, the case threatens the lives of the people Malick loves most. And to stop Cain City from being destroyed, Malick must confront the sins of his past.
