Regulation of Energy in International Trade Law Yulia Selivanova, 2011-07-28 Starting from the premise that a multilateral legal framework is the surest way to achieve predictability and transparency under conditions of increasing reliance on internationally traded energy the essays gathered in this book treat the many complex interlocking issues raised by examining that desideratum in the light of current reality Concentrating on the application of WTO agreements to energy trade as well as energy related issues addressed in the current WTO negotiations the authors offer in depth discussion and analysis of such issues as the following the effectiveness of existing WTO agreements in addressing issues pertinent to energy trade how restrictive practices of energy endowed countries can be tackled under existing international trade rules existing frameworks for investment in highly capital intensive energy infrastructure projects and conditions for access to pipelines and transmission grids regulation of energy services bioenergy development and trade energy issues addressed in the WTO accession negotiations of energy endowed countries international instruments of resolution of energy related disputes Export Credit Agencies, Trade Finance and South East Asia Mr. Malcolm Stephens, 1998-12-01 This paper looks at the causes of the reduction in trade finance in South East Asian countries post 1997 with a particular focus on the role of export credit agencies It concludes that while such agencies did not cause or prolong the problem they did not contribute significantly to a solution The paper also suggests some implications from events in South East Asia for both traditional debt relief mechanisms and for the architecture of the international financial system **The People Trade** Dorothy Shineberg, 1999-05-31 The story of the people from the New Hebrides Vanuatu and the Solomon Islands who left their homes to work in the French colony of New Caledonia has long remained a missing piece of Pacific Islands history Now Dorothy Shineberg has brought these laborers to life by painstakingly assembling fragments from a wide variety of scattered records and documents She tells the story of their recruitment then sketches the workers lives in New Caledonia describing the contractual arrangements the kinds of work they did their living conditions how they spent their free time the large numbers who sickened and died and the choice at the end of the contract to remain in the colony as free workers or to return home Throughout the book she throws light on the controversy about the recruiting of the Islanders were they kidnapped Or did they choose to leave home If so what motivated them Evidently the Islanders cheap labor contributed to the development of the French colony but how did the episode affect them and their homeland The People Trade offers readers a revealing new picture of a long neglected side of the Pacific Islands labor trade **The Monfort Plan** Jaime Pozuelo-Monfort, 2010-03-18 The Monfort Plan is a five year forward looking plan to eradicate extreme poverty from the developing world and details how microfinance has made a difference to developing countries This book proposes a new institution based in the developing world with the potential to provide a basic free and universal service in the areas of water sanitation healthcare and education to the extreme poor worldwide The provision will be subject to a certain degree of conditionality in areas ranging

from corruption to legal environment The new institution will be established in a new international territory based within a specific country in Sub-Saharan Africa and will emerge in 2015 In The Monfort Plan author Jaime Pozuelo Monfort engineers and designs a solution to lessen the burden of poverty In order to do so he relies on the social sciences to bring about innovation and forward looking economic policies and financial instruments in the context of a paradigm shift This book presents a multidisciplinary approach to policymaking that combines a range of fields in the social sciences looking at the history behind the Marshall Plan the formation of the European Union and the Bretton Woods Institutions in order to determine how a Marshall Plan for Africa and the creation of New Institutions in the developing world could work We live a moment of crisis in which creative policymaking might prove useful when proposing outcomes for a revitalized framework for capitalism to thrive and better serve the world Walks you through the technicalities of the new architecture of capitalism in a straightforward manner Provides a holistic view of how microfinance combined with the right economic policies and financial instruments could help change the world for the poor Contains sweeping and detailed recommendations on how to build a new capitalist paradigm that helps elevate the poor and improve the human condition Incorporating commentary from some of the top minds in the field of microfinance this book puts the method of microfinance in perspective Masterpieces of Swiss Entrepreneurship Jean-Pierre Jeannet, Thierry Volery, Heiko Bergmann, Cornelia Amstutz, 2021-04-21 This open access book focuses on Switzerland based medium sized companies with a longstanding export tradition and a proven dominance in global niche markets Based upon in depth documentation and analysis of 36 Swiss companies over their entire history an expert team of authors presents several parallels in the pathways and success factors which allowed these firms to become dominant and operate from a high cost location such as Switzerland The book enhances these insights by providing detailed company profiles documenting the company history development and how their relevant global niche positions were reached Readers will benefit from these profiles as they compile a diverse selection of industries mainly active within the B2B sector with mostly mature companies 60 years to older than 100 years since founding and different types of ownership structures including family firms Masterpieces of Swiss Entrepreneurship brings unique learning opportunities to owners and leaders of SMEs in Switzerland and elsewhere Findings are based on detailed bottom up research of 36 companies without any preconceived notions The book is both conceptual and practical It fosters understanding for different choices in development pathways and management practices Matti Alahuhta Chairman DevCo Partners ex CEO Kone Board member of several global listed companies Helsinki Finland Start up entrepreneurs need proven models from industry which demonstrate the various paths to success Masterpieces of Swiss Entrepreneurship provides deep insights highlighting these models and the important trade offs entrepreneurial teams must consider when choosing the path of high growth or of maximum control as they are often mutually exclusive Gina Domanig Managing Partner Emerald Technology Ventures Zurich *The Early Timber Trade on St George's Basin and the Schooner 'Result'*. Raymond Blair, 2017-01-01 This article explores the early timber trade on St

George's Basin including Blacket and Bayly's Schooner Result **The Global Theme Park Industry** Salvador Anton Clavé, 2007 From the first pleasure gardens to the global theme park companies this book provides an understanding of the nature and function of theme parks as spaces of entertainment It portrays the impacts of theme parks as global competitive actors agents of global development and cultural symbols in the context of their role in the developing economy

Feminism Art Theory Hilary Robinson, 2015-04-20 Charting over 45 years of feminist debate on the significance of gender in the making and understanding of art the long anticipated new edition of *Feminism Art Theory* has been extensively updated and reworked Completely revised retaining only one third of the texts of the earlier edition with all other material being new inclusions Brings together 88 revealing texts from North America Europe and Australasia juxtaposing writings from artists and activists with those of academics Embraces a broad range of threads and perspectives from diverse national and global approaches lesbian and queer theory and postmodernism to education and aesthetics Includes many classic texts but is particularly notable for its inclusion of rare and significant material not reprinted elsewhere Provides a uniquely flexible resource for study and research due to its scale and structure each of the seven sections focuses on a specific area of debate with texts arranged chronologically in order to show how issues and arguments developed over time The Politics of CANDU Exports Duane Bratt, 2006-01-01 This book provides the most comprehensive history of the export of CANDU reactors to date A pressurized heavy water natural uranium power reactor designed and marketed by Atomic Energy of Canada Limited the CANDU reactor has played a significant part in Canada's international trade In this history Duane Bratt examines every CANDU sale as well as some important unsuccessful sales attempts from 1956 to the present He also outlines the impact that changes in the international political climate such as the creation and strengthening of the international nuclear non proliferation regime and the increasing importance of human rights and environmental protection have had on CANDU exports over the last fifty years **Trade, Foreign Policy and Defence in EU Constitutional Law** Panos Koutrakos, 2001-03-07 This book examines how the increasing interdependence between trade and foreign policy can be managed within the legal framework of the European Union In the context of the legally distinct characteristics of the European Community and the Common Foreign and Security Policy it analyses the problems underpinning the regulation of three areas sanctions against third countries armaments and exports of dual use goods The focus is on whether the constitutional order of the European Union may address these problems while performing a variety of functions ensuring the consistency and coherence of its external relations preserving the *acquis communautaire* and respecting the right of the Member States to conduct their foreign policy as fully sovereign subjects of international law The book concludes that the interactions between trade and foreign policy may be regulated in a legally sensible and realistic way within the current structure of the European Union The recent developments regarding the defense and security identity of the European Union and the debate over the nature of an enlarged Union make this book all the more topical
