

The MOLLYCODDLE FLIRTING with FATE

Even before he became the cinema's greatest swashbuckler, Douglas Fairbanks was already a big-screen superstar. This cassette presents two rarely-seen films from Fairbanks's pre-adventure years, allowing modern viewers to experience for the first time the raw magnetism and casual charm that forged his fame.

In Victor Fleming's **THE MOLLYCODDLE**, Fairbanks stars as Richard Marshall, dandyish descendent of a long line of two-fisted frontiersmen. Due to too much time spent in Monte Carlo, he has degenerated into a monocle-sporting, tuxedoed marshmallow. When a prank lands him on the yacht of the mysterious Henry Van Holkar (Wallace Beery), he is mistaken for a secret agent assigned to expose the millionaire's operation of smuggling jewels from an Arizona Indian reservation. **THE MOLLYCODDLE** is enlivened by moments of dauntless cinematic ingenuity, from a tremendous landslide to a dazzling fistfight in which Van Holkar and Marshall tangle atop a tree, down a mountainside, through an adobe dwelling, off a cliff, into a river and over a waterfall.

THE MOLLYCODDLE

THE MOLLYCODDLE

A deliciously dark knockabout comedy from the early years of the feature film, **FLIRTING WITH FATE** follows the exploits of a starving artist who, when his romantic plans fall to shambles, becomes suicidal and hires a hit man (George Beranger) to put her out of his misery. Once a deal is struck, however, the artist's good luck takes an upward swing and he is in a scramble to evade the assassin who seems to haunt his every move.

for a glorious decade But the letters began long before when they were both married to others when revealing the affair would have caused a great scandal Now these letters form the centerpiece of the first truly definitive biography of Hollywood's first king the man who did his own stunts and built his own studio and formed a company that allowed artists to distribute their own works outside the studio system But Goessel's research uncovered more that Fairbanks's first film appearance was two years earlier than had been assumed that his stories of how he got into theater and then into films were fabricated that the Pickford Fairbanks Studios had a specially constructed underground trench so that Fairbanks could jog in the nude that Fairbanks himself insisted racist references be removed from his films intertitles and the true cause of Fairbanks's death Fairbanks was the top male star of his generation the maker of some of the greatest films of his era *The Thief of Bagdad* *Robin Hood* *The Mark of Zorro* He was fun witty engaging creative athletic and a force to be reckoned with He shaped our idea of the Hollywood hero and Hollywood has never been the same since His story like his movies is full of passion bravado romance and desire Here at last is his definitive biography based on extensive and brand new research into every aspect of his career and written with fine understanding wit and verve [Douglas Fairbanks and the American Century](#) John C.
