The Tea Party Charles L. Grant, 2018-02-11 Deerfield A sleepy village untouched by time full of quaint antiques charming sites and friendly neighbors But outside of Deerfield nature is still No children play around the great stone house of Winterrest

no birds fly over its ancient trees and tales of witches and demons fill the dreams of Deerfield's children Now the great house is stirring stretching hungry Now the huge doors open inviting unwary victims deep inside The warm stone walls are heaving the doors are pulsing now the frenzied ritual must begin Taxpayers' Tea Party Sharon Cooper, Chuck Asay, 2010-07-01

Who Dares Defend Our Rights We the People A Message from Your Alleged Betters Hand Over the Cash Traitor You know who you are you heartless uncaring cur You The one struggling to keep a roof over your head that doesn't leak to give your kids a decent education to stave off your family's suffering through any honorable means available and tend to your loved ones when they inevitably do become sick or need help You're the stingy one the unpatriotic one who isn't slicing out and mailing in his or her proper pound of flesh to feed Uncle Sam's bottomless maw of expenditure Big government wants you or more specifically all your money and most of your liberty After all you do have a job and you are making a living so you must have crushed entire strata of society underfoot to get where you are right Come on admit it you've probably even got a savings account Hand it over Hand over all of it for the good of well just hand it over Are you sick of the nonsense The feel good illogic The morass of corruption and favoritism The upside down inside out economics that only make sense to someone who never had to balance a real budget Sure you are What thinking person wouldn't be But what can one person do You possess no aircraft carriers to enforce your will and you do not want any Putting one in your backyard wouldn't leave room for the grill You wield no power of general taxation with which to vex your enemies and reward your cronies You don't even have any cronies just a few good friends Even if you did decide to raise your one lonely voice how could you be heard over the on going ever rising uproar of the professional whiners Take Back Your Government Sharon Cooper was a housewife in the early 1990s when Hillary care the first attempt at stuffing a nationalized healthcare siphon into the pocket of the middle class was attempted Cooper decided enough was enough got involved and fought on the front lines against the forces of economic idiocy The lessons she learned in that contest led her to write The Taxpayer's Tea Party a Manual on How to Take Back Your Government Boy do we ever need it now Well brace yourself She's back with a revised edition with a new introduction from former Speaker of the House Newt Gingrich one who is no stranger to grassroots organizing and who knows sound political technique when he sees it Also included is Cooper's original introduction by rabble rouser in chief Rush Limbaugh and his trenchant analysis of our times rings true as always But this is not a tract designed to fire up the troops Cooper assumes you are fired up enough or you wouldn't be reading in the first place This is a how to manual on how to take back your government Says so right there in the title Cooper gives advice on how to write an effective letter to your Congressman the newspaper even the President himself the latter in order to get it out of your system and allow you to move on to more promising endeavors Should you mail fax or e-mail Cooper lets you know when each is most effective Are you a bit shy and not sure what networking means other than hooking up your computer to the internet Cooper gives examples from her own experience on how to go about it and retain your dignity in the process Next Cooper lays out the influence peddling

power structure of the current political scene in plain daylight Who are the vulnerable politicians What's a Blue Dog Democrat and how do you go up against the Grand Poobah of a gerrymandered safe district Finally Cooper puts you in touch with organizations of like minded individuals who will fight the good fight by your side But no Taxpayer's Tea Party would be complete without a little comic relief come on everybody dressed in feathers for the first one Well the beautifully crafted cartoons of Chuck Asay spaced throughout the book will prove to be just the ticket for laughter Asay gets in some excellent digs at the opposition but his on the money slice of life scenes from the life of those of us who will have to write the checks to pay for the madness are priceless gems indeed Talk about your taxed to the limit moments Sometimes you just have to laugh to keep from crying All in all The Taxpayer's Tea Party is a gritty glorious account of how to get things done in a democracy Did it work for Cooper In the past decade and a half she's gone from politically uninvolved housewife to four term state legislature and ignited a fire of rebellion under thousands of taxed to the limit taxpayers that hasn't gone out yet At the publisher's request this title is sold without DRM Digital Rights Management *Mark Williams.
