The Monstrous Regiment:

Monstrous Regiment Terry Pratchett, 2003-09-30 War has come to Discworld again And to no one s great surprise the conflict centers on the small insufferably arrogant strictly fundamentalist duchy of Borogravia which has long prided itself on it s ability to beat up on its neighbors for even the tiniest imagined slight This time however it s Borogravia that s getting its long overdue comeuppance which has left the country severely drained of young men Ever since her brother Paul marched off to battle a year ago Polly Perks has been running The Duchess her family s inn even though the revered national deity Nuggan has decreed that female ownership of a business is an Abomination with among others oysters rocks and the color blue To keep The Duchess in the family Polly must find her missing sibling So she cuts off her hair dons masculine garb and sets out to join him in this man s army Despite her rapid mastery of belching scratching and other macho habits and aided by a well placed pair of socks Polly is afraid that someone will immediately see through her disguise a fear that proves groundless when the recruiting officer the legendary and seemingly ageless Sergeant Jackrum accepts her without question Or perhaps the sergeant is simply too desperate for fresh cannon fodder to discriminate which would explain why a vampire a troll a zombie a religious fanatic and two uncommonly close friends are also eagerly welcomed into the fighting fold But marching off with little read no training Polly now called Oliver finds herself wondering about the myriad peculiarities of her new brothers in arms It would appear that Polly Ozzer Perks is not the only grunt with a secret There is no time to dwell on such matters however Duty calls The battlefield beckons There s a tide to be turned And sometimes in war as in everything else the best man for the job is a woman
