The Morning The Sun Went Down:

The Morning the Sun Went Down Darryl Babe Wilson, 2016 Now considered a classic of California Indian writing Highly regarded for authentic description of living between two worlds The Sun Came Down Percy Bullchild, 1985 Percy Bullchild culled this collection of historical legends from his memory of the oral history as it was passed down to him by his elders and by seeking out the oral traditions of other tribes BOOK JACKET A Broken Flute Doris Seale, Beverly Slapin, 2005-08-04 A Broken Flute The Native Experience in Books for Children is a companion to its predecessor published by Oyate Through Indian Eyes The Native Experience in Books for Children A compilation of work by Native parents children educators poets and writers A Broken Flute contains from a Native perspective living stories essays poetry and hundreds of reviews of children s books about Indians It s an indispensable volume for anyone interested in presenting honest materials by and about indigenous peoples to children **I Hate To See That Evening Sun Go Down** William Gay, 2002-10-15 William Gay firmly established himself as the big new name to include in the storied annals of Southern Lit Esquire with his debut novel The Long Home and his critically acclaimed follow up Provinces of Night Like Faulkner s Mississippi and Cormac McCarthy s American West Gay s Tennessee is redolent of broken colorful souls hard at work charting the pathos of their interior lives His debut collection I Hate to See That Evening Sun Go Down brings together what Gay s dedicated readers are eager for and what new readers will find the perfect introduction to his world thirteen stories that are mined from this same fertile soil teeming with the grizzled everyday folk that Gay is famous for bringing to life In these pages readers meet old man Meecham who escapes from his new nursing home only to find his son has rented their homestead to white trash Quincy Nell Qualls who not only falls in love with the town lothario but pregnant is faced with an inescapable end when he abandons her Finis and Doneita Beasley whose forty year marriage is broken up by a dead dog Bobby Pettijohn who is awakened in the middle of the night by the noise and lights of a search party looking for clues after a body is discovered in his backwoods William Gay expertly sets these conflicted people who make bad choices in life and love against lush back country scenery and somehow manages to defy moral logic as we grow to love his characters for the weight of their human errors Diverse as these tales are what connects them is the powerful voice of a born storyteller Sun in the Morning Elizabeth Cadell, You ve had almost as much happiness in your life as countless people can reckon on in a long lifetime said her father and being a happy person by nature though not at that particular moment his daughter admitted with only the faintest snuffles that it was true Growing up in Calcutta had been glorious How could it help being with friends like Poopy and Marise with neighbours like the dear funny de Souza family Mr Rogers the actor Miss Brooke and her gushing and Mr Andros with his fussing Everybody and everything just a bit unexpected It was a carefree entrancing life she had led at the flat in Minto Lane and here is a writer with the happy knack of letting you share it all Poopy possessed a face that seemed blank to everyone but her two friends who read it with ease She started each day neatly dressed but within ten minutes the other two were pulling up

her shoulder straps and anchoring her garments with safety pins Marise had beautiful curls and a chic born of her French ancestry She came to the rescue with expert advice when Poopy fell irrevocably in love with the first man she ever really looked at Poopy in turn knew how to counsel Marise in the sedate behavior likely to win over her prospective mother in law With neighbors like the dear hilarious de Souza family Benny de Souza was twelve and knew everything His conversation was an undiluted stream of solid facts Mr Rogers the actor Miss Gumm the piano teacher I began the Chopin with confidence but before I had gone very far I felt a strong push and found Miss Gumm preparing to take my place and Mr Andros that chap that goes and shoots man eaters everybody and everything just a bit unexpected The story is seen through the eyes of a girl whose name we never learn She views her friends with love and loyalty and humor and knows that life will never be quite the same when her girlhood is over Editor s note This book though written in the style of fiction is largely an autobiography of Elizabeth Cadell s own childhood in British India in the early 1900 s In reading it her fans will gain a wider perspective of their favorite author **The Alabama University Monthly** ,1874 **The native races. 1886** Hubert Howe Bancroft,1883
