Three Terrifying Tales from Chicago Adam Selzer, 2012-10-08 Join Chicago paranormal authority Adam Selzer as he lifts the veil of myth around three of Chicago's most terrifying ghost stories Jane Addams's Hull House became the center of a rumored Devil Baby an infant born with horns

hooves and claws and a habit of using profane language to ministers H H Holmes has gone down in history as America's first and possibly most prolific serial killer Popularized in bestselling book *The Devil in the White City* Holmes built a three story building down the street from the World's Fair site in Chicago in the early 1890s to use as his killing castle But how many people did he kill Chicago's Resurrection Mary is one of the oldest and most enduring vanishing hitchhiker stories An expert on the Resurrection Mary stories Selzer shares dozens of stories and anecdotes he's collected and sifts through his personal database of facts surrounding Archer Avenue's most famous apparition This e book includes an excerpt from Adam Selzer's popular book *Your Neighborhood Gives Me the Creeps* **A Brief Guide to Ghost Hunting** Leo Ruickbie,2013-08-15

There has been an upsurge in books television programmes films and websites exploring the reality or otherwise of the spirit world Not since the founding of The Ghost Club in 1862 and the Society for Psychical Research in 1882 has ghost hunting been so popular Television and the internet in particular have fueled this new level of interest creating a modern media phenomenon that spans the globe But while the demand for information is high good information remains scarce *A Brief Guide to Ghost Hunting* leads us through the process of ghost hunting from initially weighing the first report to choosing equipment and investigating and identifying the phenomena with an analysis of the best places to go looking methods of contacting the spirit world how to explain paranormal activity and crucially how to survive the encounter However it is also a book about ghost hunting itself drawing on 130 years of research in the cavernous archives of the Society for Psychical Research and even older history to find the earliest ghost stories *A Ghost Hunting Survey* makes use of interviews with those billing themselves as ghost hunters to find out their views motivations and experiences New and original research makes use of statistics to map the nebulous world of apparitions while a *Preliminary Survey of Hauntings* offers an analysis of 923 reported phenomena from 263 locations across the UK This is as far as possible an objective presentation of ghosts and ghost hunting It is no wonder that mainstream science largely refuses to deal with the subject it is too complicated Without trying to convince you of any viewpoint this book is intended to help you understand more **Paranormal Nation** Marc E.

Fitch,2013-03-21 This thought provoking study of paranormal phenomena traces the impact of supernatural beliefs on popular culture and conversely examines the influence of new communication technologies on research being conducted in the field Did you know that interest in UFO research increased during the 1960s as a result of the Kennedy assassination Or that America experienced a Satanic Panic in the 1980s that culminated with the longest most expensive court trial in American history This book reviews the history economy and community of paranormal research in this country and considers the deeper meaning behind the philosophies and theories surrounding the industry *Paranormal Nation* Why America Needs Ghosts UFOs and Bigfoot explores the events that have defined paranormal belief systems today From the birth of religious doctrine to European witch hunts to the increasing popularity of the supernatural in American television programming the author examines the past and present conditions that have fueled interest in the unexplained and considers

what this trend means for modern day America
