*The Christmas List* Richard Paul Evans,2009-10-06 A heartwarming and inspirational Christmas novel in the tradition of The Christmas Box Grace The Gift and Finding Noel The New York Times bestselling author of The Christmas Box and The Walk series returns with a holiday novel of hope love and redemption Dear Reader When I was in seventh grade my English teacher Mrs Johnson gave our class the intriguing if somewhat macabre assignment of writing our own obituaries Oddly I don't remember much of what I wrote about my life but I do remember how I died in first place on the final lap of the Daytona 500 At the time I hadn't considered writing as an occupation a field with a remarkably low on the job casualty rate What intrigues me most about Mrs Johnson's assignment is the opportunity she gave us to confront our own legacy How do we want to be remembered That question has motivated our species since the beginning of time from building pyramids to putting our names on skyscrapers

As I began to write this book I had two objectives First I wanted to explore what could happen if someone read their obituary before they died and saw firsthand what the world really thought of them Their legacy Second I wanted to write a Christmas story of true redemption One of my family s holiday traditions is to see a local production of Charles Dickens s A Christmas Carol I don t know how many times I ve seen it perhaps a dozen but it still thrills me to see the change that comes over Ebenezer Scrooge as he transforms from a dull tight fisted miser into a penitent giddy as aschoolboy man with love in his heart I always leave the show with a smile on my face and a resolve to be a better person That s what I wanted to share with you my dear readers this Christmas a holiday tale to warm your season your homes and your hearts Merry Christmas
