Subject Guide to Books in Print ,1997 **The Publishers' Trade List Annual** ,1985 *Books in Series* ,1985 Vols for 1980 issued in three parts Series Authors and Titles **American Book Publishing Record** ,1981 Directions ,1980

The Balkan Wars from Contemporary Perception to Historic Memory Katrin Boeckh, Sabine Rutar, 2017-01-10 This book explores the historial role of the Balkan Wars In Eastern Europe the two Balkan Wars of 1912 13 had greater importance than the First World War for the construction of nations and states This volume shows how these short wars profoundly changed the sociopolitical situation in the Balkans with consequences that are still felt today More than one hundred years later the successors of the belligerent states in Southeastern Europe memorialize the wars as heroic highlights of their respective pasts Furthermore the metaphor that the Balkans were Europe s powder keg perpetuated at the beginning of the twentieth century in the face of these wars was reactivated in both the West and the East up through the Yugoslav wars of the 1990s The authors entangle the hitherto exclusive national master narratives and analyse them cogently and trenchantly for an international readership They make an indispensable contribution to the proper integration of the Balkan Wars into the European historical memory of twentieth century warfare Books in Print ,1983 *Choice* ,1980 *Resources in Education* ,1997 Bulletin of the Atomic Scientists ,1969-02 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world
