Black Power and the American People Rafael Torrubia, 2016-09-14 While the history of the non-violent Civil Rights Movement from Rosa Parks to Martin Luther King is one of the great American stories of the twentieth century, the related Black Power movement has taken a more complex path through the nation's history. Formed by a multitude of individuals, the long history of the Black Power movement stretches before and beyond its political manifestations. Beginning with the folk narratives told on the plantation, Black Power and the American People charts a course through the iconoclasm of the Harlem Renaissance, the battleground of the American campus, the struggle and skill of the Negro Leagues, the drama of the boxing ring, the killing fields of Vietnam, and the cold concrete of the penitentiary, right up to the Black Lives Matter movement of the present day. Tracing these connected cultural expressions through time, Black Power and the American People explores the profound legacy of Black Power from its earliest roots to its most futuristic manifestations, its long history in American culture, and its profound influence on the American imagination.

The Black Theatre Movement in the United States and in South Africa Olga Barrios, 2008 El creixement dels moviments sociopolítics entre els anys seixanta i noranta als Estats Units i a Sudàfrica va establir els ferms fonaments sobre els quals amb una força i ímpetu sense precedents es va forjar el teatre negre d'aquests anys. Forma i contingut van sorgir a l'una del compromís polític i artístic adoptat per aquests artistes contra l'imperialisme, el colonialisme i el racisme occidentals. Per primera vegada en la història, el teatre negre dels Estats Units i de Sudàfrica analitzava i valorava les arrels negres per a poder il·luminar la recerca d'un futur de llibertat. No obstant això, el context sociopolític i les circumstàncies específiques de cada país han generat igualment els trets distintius del teatre afronord-americà i negre sud-africà, inclosos les diferències de gènere manifestos en ramificacions artístiques totalment heterogènies i niques.
