

The Modern Still Life Objects Of Desire

Cara L. Lewis

The Modern Still Life Objects Of Desire:

Objects of Desire Margit Rowell, Museum of Modern Art (New York, N.Y.), 1997 Exhibition 5 25 8 26 97 Dist by Abrams
Explores the genre in the 20th c **Objects of Desire**, 1997 *Objects of Desire* Margit Rowell, 1997 Exhibition 5 25 8 26 97 Dist by Abrams Explores the genre in the 20th c **Objects of Desire - the Modern Still Life**, 1997 **Objects Observed** John C. Stout, 2018-04-13 *Objects Observed* explores the central place given to the object by a number of poets in France and in America in the twentieth century John C Stout provides comprehensive examinations of Pierre Reverdy Francis Ponge Jean Follain Guillevic and Jean Tortel Stout argues that the object furnishes these poets with a catalyst for creating a new poetics and for reflecting on lyric as a genre In France the object has been central to a broad range of aesthetic practices from the era of Cubism and Surrealism to the 1990s In the heyday of American Modernism several major poets foregrounded the object in their work however in postwar twentieth century America poets moved away from a focus on the object *Objects Observed* illuminates the variety of aesthetic practices and positions in French and American poets from the years of high Modernism 1909 1930 to the 1990s *The Art of Maria Tomasula* Soo Y. Kang, 2022-11-15 Maria Tomasula's still life paintings are absolutely captivating dramatizing luscious objects of saturated colors and meticulous details through the spotlight effect against a dark backdrop Beyond their immediate appeal however the still lifes usually contain disturbing features such as flowers being sharply pierced by hooks and nails or isolated body parts such as bones and organs that seem to be fiercely alive Although the pictures are materialistically appealing due to the illusionistic style of the artist they lend themselves to a depth of iconography that has not been accounted for in previous writings on her art This book is the first comprehensive monograph on Tomasula b 1958 unraveling her complex iconography that is founded on her Mexican American heritage and Catholicism but also tracing the European still life tradition It shows that her paintings reflect her feminist and philosophical leanings influenced by various intellectuals including Baruch Spinoza Gilles Deleuze and the proponents of New Materialism Her still life converges the old with new interests it pays tribute to traditional Mexican and European motifs but also reflects ideas and mannerism that speak to the contemporary audience This research evidences the complexity of the Mexican American experience which merges divergent cultural and ideological perspectives from Latin America North America and Europe in varied ways for different and unique individuals *The People Shall Govern!* Antawan I. Byrd, 2020-10-13 A revelatory and informative presentation of the anti apartheid posters created by Medu Art Ensemble Formed in the late 1970s Medu Art Ensemble forcefully articulated a call to end the apartheid system's racial segregation and violent injustice through posters that combined revolutionary imagery with bold slogans Advocating for decolonization and majority nonwhite rule in South Africa and neighboring countries Medu members were persecuted by the South African Defense Force and operated in exile across the border in Botswana *The People Shall Govern* features nearly all the surviving posters that Medu created between 1979 and 1985 These objects are exceedingly rare as they were originally

smuggled into South Africa and mounted in public places where they were regularly confiscated or torn down on sight Offering new insight into the conceptual framework of Medu s working practice and featuring a beautiful silkscreened cover this volume examines the continuing relevance and impact of its poster production *Guerrilla Girls: The Art of Behaving Badly* Guerrilla Girls, 2020-10-06 Guerrilla Girls *The Art of Behaving Badly* is the first book to catalog the entire career of the Guerrilla Girls from 1985 to present The Guerrilla girls are a collective of political feminist artists who expose discrimination and corruption in art film politics and pop culture all around the world This book explores all their provocative street campaigns unforgettable media appearances and large scale exhibitions Captions by the Guerrilla Girls themselves contextualize the visuals Explores their well researched intersectional takedown of the patriarchy In 1985 a group of masked feminist avengers known as the Guerrilla Girls papered downtown Manhattan with posters calling out the Museum of Modern Art for its lack of representation of female artists They quickly became a global phenomenon and the fearless activists have produced hundreds of posters stickers and billboards ever since More than a monograph this book is a call to arms This career spanning volume is published to coincide with their 35th anniversary Perfect for artists art lovers feminists fans of the Guerrilla Girls students and activists You ll love this book if you love books like *Wall and Piece* by Banksy *Why We March* Signs of Protest and Hope by Artisan and Graffiti Women Street Art from Five Continents by Nicholas Ganz **The Not-So-Still Life** Susan Landauer, William H. Gerdts, Patricia Trenton, 2003-11-10 Presenting interpreting and celebrating the world renowned and the lesser known California artists who have uniquely defined and redefined the still life this volume offers an exploration of the sensual pleasures the aesthetic challenges and the intellectual and perceptual associations of a century of art through the prism of a single genre BOOK JACKET *Dynamic Form* Cara L. Lewis, 2020-07-15 *Dynamic Form* traces how intermedial experiments shape modernist texts from 1900 to 1950 Considering literature alongside painting sculpture photography and film Cara Lewis examines how these arts inflect narrative movement contribute to plot events and configure poetry and memoir As forms and formal theories cross from one artistic realm to another and back again modernism shows its obsession with form and even at times becomes a formalism itself but as Lewis writes that form is far more dynamic than we have given it credit for Form fulfills such various functions that we cannot characterize it as a mere container for content or matter nor can we consign it to ignominy opposite historicism or political commitment As a structure or scheme that enables action form in modernism can be plastic protean or even fragile and works by Henry James Virginia Woolf Mina Loy Evelyn Waugh and Gertrude Stein demonstrate the range of form s operations Revising three major formal paradigms spatial form pure form and formlessness and recasting the history of modernist form this book proposes an understanding of form as a verbal category as a kind of doing *Dynamic Form* thus opens new possibilities for conversation between modernist studies and formalist studies and simultaneously promotes a capacious rethinking of the convergence between literary modernism and creative work in other media

Embracing the Beat of Term: An Psychological Symphony within **The Modern Still Life Objects Of Desire**

In a world used by monitors and the ceaseless chatter of instantaneous interaction, the melodic elegance and mental symphony developed by the published term usually fade in to the backdrop, eclipsed by the relentless sound and interruptions that permeate our lives. But, situated within the pages of **The Modern Still Life Objects Of Desire** a marvelous fictional prize full of organic thoughts, lies an immersive symphony waiting to be embraced. Crafted by an outstanding composer of language, that fascinating masterpiece conducts viewers on an emotional trip, skillfully unraveling the hidden songs and profound affect resonating within each cautiously constructed phrase. Within the depths with this poignant review, we shall investigate the book is main harmonies, analyze its enthralling publishing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
