The Moment Of Truth When Quitters Win:

The Moment of Truth Herb Drake, Bud Colton, 1994-09-01 It's Time! Pamela DeRosa, Lois Stefanowski, 2008-11-14 It s Time Is a powerful interactive experience with yourself and God In these pages you ll discover your great value and significance be empowered to make good and positive choices and come to realize how loved and truly beautiful you are Nancy Stafford Actress Matlock Speaker and Author of Beauty by the Book Seeing Yourself as God Sees You and The Wonder of His Love A Journey into the Heart of God A gentle encouragement for hurting souls on every page This creative supportive format is ideal for individuals and groups who desire deeper personal Christian growth Pam and Lois have offered a structured opportunity to be strengthened and encouraged as we walk humbly and faithfully with God Marion C Eberly Remuda Ranch Programs Wickenburg AZ At last A simple interactive guide on how to turn your greatest struggles into your greatest assets Pam and Lois write with credibility authenticity and conviction as they share measured wisdom and brilliant tools on how to turn pain into power This is a must read for anyone who is ready for lasting change Carol Jefferies Spiritual Care at Rogers Memorial Hospital Wisconsin Pam DeRosa and Lois Stefanowski are co founders of In Formed a Christian ministry that provides education and prevention programs regarding esteem body image eating disorders and self inflicted violence cutting They hosted a 44 week radio program on these topics through Salem Communications Pam and Lois have spoken to hundreds of audiences throughout the United States at workshops retreats and conferences They have experienced the devastating effects of eating disorders and are professional members of the National Eating Disorders Association Contact them and share your story at www.informed4u.org All book proceeds will be used for education about eating disorders and SIV Cactus Jack: Against All Odds Walter Hubbard, 2017-04-18 What sets Jack Mason Carlisle s story apart is the adversity he overcame and the many lives impacted because he did He constantly coached and taught as if he had something to prove because he did After a boyhood accident resulted in the amputation of his leg the odds were stacked heavily against him to ever fulfill his dream of becoming a coach Coach Carlisle was old school He was tough Players did not often make his team without first adopting a bit of his personality and a large portion of his commitment When it came down to a player making his team talent played second fiddle to just wanting it more than the next guy The extreme physical demands he put on players stemmed from a philosophy that young people will only do what you make them do and everybody can do more than they ever imagined The storyline here is not a distinguished sixty one year career or a Mississippi high school football record of 262 70 17 it s the number of hearts changed along the way Stories and testimonials illustrate how players took their sweat equity with them long after old school football Although his teams frequently felt the thrill of victory Jack s career was more about young people experiencing the true meaning of commitment *The Truth Collector* Ronald J. Yadusky, BS, MD, FACS, 2009-08-21 The basic content of this book is transformation which has taken me a lifetime to learn There is more to life than just joy or sorrow health or sickness consolation or desolation because as I have found there is also

a higher level of thinking and living called transformation What I've learned all my life about love may help you to learn about it sooner rather than later Such early learning is always to your benefit because as an old German expression points out We grow old too soon and smart too late Since love is not love until it is given away my love has compelled me to write this book In reading it as a bare minimum you will be spiritually refreshed but I truly believe that you too will be transformed Each of us has a mind that seeks truth a heart that seeks love and a spirit that seeks goodness and God If you were to categorize this book you would have to say that it is in a category all its own because it's primarily transformational in addition to being inspirational autobiographical motivational instructional philosophical spiritual and explorational It explores the truth that life is not measured in moments of time but in timeless moments And we know that truth exists otherwise we would never be able to ask any questions It also explores love as the loudest sound on the other side of silence Love not violence is at the heart of the universe and we should not let violence determine our future but only let love do that It also explores goodness in that it is unreasonable to think that a person who can be good would be put into a crazy empty world in which there is no such thing as goodness
