The Movie Under The Blindfold:

The Movie Under the Blindfold Michael Finley, Mike Finley, 1978 **The Blindfold Test** Barry Schechter, 2020-05-19 A raucous comedy about a paranoid loser who maybe wasn't paranoid enough In the sixties Jeffrey Parker briefly attended an antiwar rally He wasn't all that interested he just listened to a few speeches and went home and nothing was ever the same In this wildly comic novel Parker's brief dalliance is the beginning of the end He never lands a decent job Women never stick around He has terrible stretches of bad luck and is the unwilling victim of just plain bizarre occurrences once he comes home to find that the final page in every one of his books has been removed Then Parker discovers that he's been the target of a government plot like the FBI's real life COINTELPRO and the obsession of a rogue FBI agent who just won't give up This outrageously imaginative debut is reminiscent of John Kennedy Toole's explosive out of nowhere farce *A Confederacy of Dunces* Part thriller part national tragedy and all hysterical comedy it is devilishly entertaining even as it forces Parker and readers to uncover the truth not only about their country but about themselves *Blindfold* Theo Padnos, 2021-02-16 An award winning journalist's extraordinary account of being kidnapped and tortured in Syria by al Qaeda for two years a revelatory memoir about war human nature and endurance that's the best of the genre profound poetic and sorrowful *The Atlantic* In 2012 American journalist Theo Padnos fluent in Arabic Russian German and French traveled to a Turkish border town to write and report on the Syrian civil war One afternoon in October while walking through an olive grove he met three young Syrians who turned out to be al Qaeda operatives and they captured him and kept him prisoner for nearly two years On his first day in the first of many prisons Padnos was given a blindfold a grime stained scrap of fabric that was his only possession throughout his horrific ordeal Now Padnos recounts his time in captivity in Syria where he was frequently tortured at the hands of the al Qaeda affiliate Jebhat al Nusra We learn not only about Padnos's harrowing experience but we also get a firsthand account of life in a Syrian village the nature of Islamic prisons how captors interrogate someone suspected of being CIA the ways that Islamic fighters shift identities and drift back and forth through the veil of Western civilization and much more No other journalist has lived among terrorists for as long as Theo has and survived As a resident of thirteen separate prisons in every part of rebel occupied Syria Theo witnessed a society adrift amid a steady stream of bombings executions torture prayer fasting and exhibitions all staged by the terrorists Living within this tide of violence changed not only his personal identity but also profoundly altered his understanding of how to live Offering fascinating unprecedented insight into the state of Syria today *Blindfold* is a triumph of the human spirit *The New York Times Book Review* combining the emotional power of a captive's memoir with a journalist's account of a culture and a nation in conflict that is as urgent and important as ever **The Blindfold's Eyes** Dianna Ortiz, 2004-01-01 This searing memoir of an American nun who was abducted and tortured in Guatemala and continues to search for healing and justice shows that the human spirit is a force stronger than violence and fear *Neurorobotics explores machine learning* Fei Chen, Jose De Jesus
