Enemy Asks Talks Recess

MUNSAN, Saturday, June 20.—The Communist Saturday demanded immediate recovery of 20,000 North Korean prisoners of war freed on order of President Syngman Rhee and asked for an indefinite respite in the Korean conflict. *Associated Press.*

Their demand was made in a glossy iron canister at Pongompen in a strongly worded present which charged that the United Nations Commission "deliberately conspired with Elba to free the schismans".

"The Federal Reserve must bear the primary responsibility for the economy, and the international price

2-Year Wait for Death Ends

FROM FIRST HEARING TO DEATH, convicted slavers James Julius and Ethel Rosenberg maintained silence about their spy activities. At left Julius kisses Ethel in the prison van after their arraignment in September, 1950. In center, they are shown writing an Italian note during their trial in March, 1951, and at right, they are escorted by a wire screen as they head for jail after their conviction. After two years of legal maneuvers, they were executed in New York State Prison with **LEAH WIGGANS**.

Convicted Spies Refuse to Talk

CHENING, M. T., June 18.—Julius and Ethel Rosenberg, silent and without comment, died in the electric chair Friday night for betraying atomic bomb secrets to Russia.

Julius, traveling freely and unaccompanied by guards, entered the flag flying death chamber first, at 7:16 p.m. (H.A.T.) as a chaplain entered the Old Prison by his side. Two minutes later he was pronounced dead.

The mile was then left to, as the road also was closed at 7:30, just 15 minutes before the last sign of the setting sun illuminated the small town of New Orleans.

These parties asked a federal court of appeals to set aside the Supreme Court's ruling. The Supreme Court had ruled in favor of American Express.

The Murder Of The Rosenbergs:

The Murder of the Rosenbergs Stanley Yalkowsky,1990 **Executing the Rosenbergs** Lori Clune,2016-04-08 In 1950 Julius and Ethel Rosenberg were arrested for allegedly passing information about the atomic bomb to the Soviet Union an affair FBI Director J Edgar Hoover labeled the crime of the century Their case became an international sensation inspiring petitions letters of support newspaper editorials and protests in countries around the world Nevertheless the Rosenbergs were executed after years of appeals making them the only civilians ever put to death for conspiracy related activities Yet even after their executions protests continued The Rosenberg case quickly transformed into legend while the media spotlight shifted to their two orphaned sons In *Executing the Rosenbergs* Lori Clune demonstrates that the Rosenberg case played a pivotal role in the world s perception of the United States Based on newly discovered documents from the State Department Clune narrates the widespread dissent against the Rosenberg decision in 80 cities and 48 countries Even as the Truman and Eisenhower administrations attempted to turn the case into pro democracy propaganda U S allies and potential allies questioned whether the United States had the moral authority to win the Cold War Meanwhile the death of Stalin in 1953 also raised the stakes of the executions without a clear hero and villain the struggle between democracy and communism shifted into morally ambiguous terrain Transcending questions of guilt or innocence Clune weaves the case and its aftermath into the fabric of the Cold War revealing its far reaching global effects An original approach to one of the most fascinating episodes in Cold War history *Executing the Rosenbergs* broadens a quintessentially American story into a global one

The Press, the Rosenbergs, and the Cold War John Neville,1995-09-26 This book is a study of cold war agenda setting in relation to the Julius and Ethel Rosenberg spy case Its primary interest is with press coverage of the case from 1950 to 1953 although the historical focus of the case extends before and beyond those years The purpose of the book is not to debate the Rosenbergs guilt or innocence but rather to provide a fresh view of the case in its most political terms news coverage filtered through the dynamics of cold war patriotism A large sample of U S and foreign newspapers and magazines was monitored to determine if the Rosenbergs were victims of sensational pretrial and during trial newspaper publicity Neville also determines if the press reported on the claims of a U S left wing newspaper the *National Guardian* that the Rosenbergs were framed by the U S government with the complicity of the news media His conclusions question whether the mainstream press and news media ignore issues of justice for radicals in time of war and political crisis

Ethel Rosenberg Ilene J. Philipson,1993 Ilene Philipson s biography of Ethel Rosenberg only the second woman in U S history to be executed for treason is now available in paperback for the first time Contributes to women s history and biography and to radical history particularly to our understanding of family gender relations and feminine identity of women radicals Ilene Philipson has produced a fascinating book Nancy Chodorow Tells the story of Ethel from a woman s point of view Philipson whose literary style has the clean exactitude of a tracer bullet has produced a heart rending masterpiece If you read only one book a year make it this

one Florence King Newsday Ethel Rosenberg s stoicism on the witness stand her unflinching response to the guilty verdict and death sentence and her seeming indifference to the ordeal of her two children shocked the nation Concerned with rehabilitating not only Ethel Rosenberg s name but also her image the author creates a moving portrait of a human and ordinary woman John Patrick Diggins New York Times Book Review **Trial by Treason** United States.
