Sekercioglu, 2011-07-04 The ability of the birds to show us the consequences of our own actions is among their most important and least appreciated attributes Despite the free advice of the birds we do not pay attention said Marjory Stoneman Douglas in 1947 From ice dependent penguins of Antarctica to songbirds that migrate across the Sahara birds responses provide early warning signs of the impact of climate change *Winged Sentinels* Birds and Climate Change uses colourful examples to show how particular groups of birds face heightened threats from climate change

and to explore how we can help birds adapt in a warming world Generously illustrated with colour photographs the book is a fascinating insight into what climate change means for birds and the potential consequences of ignoring these warning signs

**Rabinal Achi** Dennis Tedlock,2003-09-04 Here is one of the most important surviving works of pre Columbian civilization Rabinal Achi a Mayan drama set a century before the arrival of the Spanish produced by the translator of the best selling Popol Vuh The first direct translation into English from Quich Maya based on the original text Rabinal Achi is the story of city states war and nobility of diplomacy mysticism and psychic journeys Cawek of the Forest People has been captured by Man of Rabinal who serves a ruler named Lord Five Thunder Cawek is a renegade a warrior who has inflicted much suffering on Rabinal Yet he is also the son of the lord of the allied city of Quich a noble who once fought alongside Man of Rabinal The drama presents the confrontation between the two during the trial of Cawek who defies his captors and proudly accepts death by beheading Dennis Tedlock s translation is clear and vivid more than that it is rooted in an understanding of how the play is actually performed Despite being banned for centuries by Spanish authorities it survived in actual practice and is still performed in the town of Rabinal today Tedlock s photographs and diagrams accompany the text capturing nuances not apparent in the dialogue alone He also provides an introduction and commentary that explain the historical events compressed into the play the Spanish influence on the Mayan dramatic tradition and the cultural and religious world preserved in this remarkable play Rabinal Achi ranks as a classic of Mayan literature and a rare window on a world that had yet to be invaded by Europeans Dennis Tedlock brings this drama to life in all its richness **Objective**

Marsen,2006-10-10 That knowledge about the world and self is imparted through narrative is widely accepted the techniques used to construct this knowledge have received less attention This book uses a semiotic methodology to analyze works by Merleau Ponty Kierkegaard and Austin and explore how conceptualizations of reality are formed through narrative strategy

**Sustainability** David Mollica,2017-03-02 Sustainability is one of the key concepts underlying our thinking about corporate responsibilities particularly with respect to the environment and inter generational justice but also in relation to corporate governance and the long term economic viability The advantages of the discourse of Sustainability are that it brings together contemporary economic and moral imperatives in the context of scientific knowledge Its disadvantages relate to its open ended content its systematic ambiguity and the internal tensions between economic growth human survival and global justice The essays in this volume reflect these strengths and weaknesses from a variety of viewpoints economic scientific social and philosophical They illustrate and illuminate the varied and contested content and utility of this currently popular concept and point to its multiple implications for the development of corporate responsibilities      **Science Fiction and Fantasy Literature, Vol 1** R. Reginald,2010-09-01 Science Fiction and Fantasy Literature A Checklist 1700 1974 Volume one of Two contains an Author Index Title Index Series Index Awards Index and the Ace and Belmont Doubles Index

**Tropical Montane Cloud Forests** L. A. Bruijnzeel,F. N. Scatena,L. S. Hamilton,2011-01-06 This volume represents a uniquely comprehensive overview of our current knowledge on tropical montane cloud forests 72 chapters cover a wide spectrum of topics including cloud forest distribution climate soils biodiversity hydrological processes hydrochemistry and water quality climate change impacts and cloud forest conservation management and restoration The final chapter presents a major synthesis by some of the world s leading cloud forest researchers which summarizes our current knowledge and considers the sustainability of these forests in an ever changing world This book presents state of the art knowledge concerning cloud forest occurrence and status as well as the biological and hydrological value of these unique forests The presentation is academic but with a firm practical emphasis It will serve as a core reference for academic researchers and students of environmental science and ecology as well as practitioners natural resources management forest conservation and decision makers at local national and international levels      **StarBriefs 2001** ,2012-12-06 This compilation probably looks like one of the craziest things a human being could spend his or her time on Yet nobody would wonder at someone taking a short walk every day after twenty five years that person would have covered a surprisingly long distance This is exactly the story behind this list which appeared first as a few pages within the directory StarGuides or whatever name it had at that time and as a distinct sister publication since 1990 The idea behind this dictionary is to offer astronomers and related

space scientists practical assistance in decoding the numerous abbreviations acronyms contractions and symbols which they might encounter in all aspects of the vast range of their professional activities including traveling Perhaps it is a bit paradoxical but if scientists quickly grasp the meaning of an acronym solely in their own specific discipline they will probably encounter more difficulties when dealing with adjacent fields It is for this purpose that this dictionary might be most often used Scientists might also refer to this compilation in order to avoid identifying a project by an acronym which already has too many meanings or confused definitions
