THE HARSH LANE Thomas Appleby,2012-08 This book is intended to make any reader firstly laugh then in no particular order flinch be jealous feel sick feel sorry angry and disgusted or just plain sad This is the original story of nobodies but the type of people a lot of people can relate to to some degree Events are sometimes in random order due to the author s sometimes random memory The main dilemma in writing a warts n all book is whilst it s fine to do so if you are famous on the other hand when even your wife can barely remember who you are it s a bit different Basically who gives a shit But going with the old clich Everyone has a book in them here s mine It is a book of many contrasts wild and excessive and funny to some but at some points it is balanced out with the tales of the complete opposite about family heartbreak and loss and has some pretty morbid moments I must admit but this is generally about the knowledge that you gain in this life I can t say I have learned completely yet who does But I m getting there and if I don t who really gives a toss anyway I didn t invent Penicillin or The Wheel or even American Idol I m just a regular guy in some respects There is a great quote out there which that wholeheartedly sums up my philosophy towards life Live as if you ll die tomorrow Dream as if you ll live forever There is also a historical element to some of the recollections relating to people and places just to try to make me look a bit more clever if possible well I need something As for writing about real life as a musician formerly I now understand when a band says you have your have the first part of your life to write your first album it s the same with writing about real life all your own experiences are exhausted after that As anyone who knows me I m one of the worst liars in the universe imagination I m crap at I do prefer real life So I won t be forging a career in Fiction anytime soon Anyway it s all academic I ll probably get banned from writing books ever again if anybody ever reads this Names have been changed to protect the slightly guilty the guilty and the really guilty I hope I ve not dropped anyone in this too much There are certain stories which I cannot and will not write about too sensitive for some people I know and are frankly a bit too harsh for this book and that s saying something
