Summary of Lois Tverberg's Reading the Bible with Rabbi Jesus Everest Media, 2022-07-25T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The author's goal is to help you mentally transport yourself back in time to read the Bible as one of Jesus first century disciples He wants to help you appreciate the Bible's original Middle Eastern setting 2 Embracing Jesus Jewishness is a recent development in Christian scholarship It has been realized that Jesus was overly cast within Greco Roman society to the neglect of his Jewish context Seeing him in his context sheds new light on his ministry and deepens our understanding of his words 3 I grew up believing that the Bible was the inspired Word of God but I found it more confusing than inspiring The last quarter of the Bible starting with the book of Matthew was dog eared rippled with coffee mug circles and filled with highlighting and thoughts penciled into the margins 4 The site of Emmaus is unknown but it is believed to be located near Motza a village just northwest of Jerusalem Its ancient name was Ha motza meaning the spring which was translated into Greek as Em ma oos or Emmaus [Spiritual Slimming](#) Lara Wells, 2010-12-16 This book is the answer to what lies within if you have ever had to battle with the bulge It explores the link between the baggage we carry in life and the effects it has on our body By clearing the demons within and slimming our life to gain control we can slim the packaging on the outside Celebrate the NEW YOU with this book and be all you are and

beyond *Lippincott's Monthly Magazine* ,1906 Reading the Bible with Rabbi Jesus Lois Tverberg,2018-01-02 What would it be like for modern readers to sit down beside Jesus as he explained the Bible to them What life changing insights might emerge from such a transformative encounter Lois Tverberg knows the treasures that await readers willing to learn how to read the Bible through Jewish eyes By helping them understand the Bible as Jesus and his first century listeners would have she bridges the gaps of time and culture in order to open the Bible to readers today Combining careful research with engaging prose Tverberg leads us on a journey back in time to shed light on how this Middle Eastern people approached life God and each other She explains age old imagery that we often misinterpret allowing us to approach God and the stories and teachings of Scripture with new eyes By helping readers grasp the perspective of its original audience she equips them to read the Bible in ways that will enrich their lives and deepen their understanding *Common Sense Slimming* Kathleen Jack,2009 Are you on or off of the dieting yo yo I know from personal experience that there is hardly a sustainable moment where a person can relax and say that a lifestyle balance has been struck where the dieting yo yo no longer exists Or is there This book helps readers along the journey towards making simple enduring lifestyle changes that will help create a slimming impact on their weight and general fitness It is not a fad diet that is here today and gone tomorrow It is sustainable It helps incorporate changes into your lifestyle that are easy to make and easy to keep There are no promise or guarantees for success Just changes to improve your lifestyle and to become a healthier person As with any lifestyle change please consult your doctor before making the change We want to make sure that you stay healthy throughout this journey Kathleen had been chubby or fat all of her life Moving from very skinny to very fat tipping the scales at over two hundred pounds Even during the dating years she had been exposed to cruel teasing tricks and jokes She tried one diet after another but nothing seemed to have the long lasting enduring impact that she was seeking She would try the grapefruit diet the low fat diet the protein diet and many others Nothing seemed to have lasting effect Kathleen now has found that she can make simple adjustments to her life style and can begin slimming As an example she exchanged the evening ice cream bowl with sherbet Within 3 months Kathleen has lost ten pounds and has kept it off You too can make simple lifestyle adjusts and begin slimming Read more about this in this book **Slimming Down and Growing Up** Neva Coyle,Marie Chapian,1985 A practical one month plan for teaching kids and parents to apply the principles that made Free To Be Thin such a success

the wicked in our souls and the sheath of the women and the sleaze in the streets and the slayers and priests and find parallels of the seedy of the arcane with the rogue and many of the gunnery laws today s priests and yes even brokerage firms Has nothing changed in all these centuries

reliable paths toward them for those who fall short Seeking the Straight and Narrow is a fascinating account of the world of evangelical efforts to alter our strongest bodily desires Drawing on fieldwork at First Place a popular Christian weight loss program and Exodus International a network of ex gay ministries Lynne Gerber explores why some Christians feel that being fat or gay offends God what exactly they do to lose weight or go straight and how they make sense of the program s results or frequently their lack Gerber notes the differences and striking parallels between the two programs and more broadly she traces the ways that other social institutions have attempted to contain the excesses associated with fatness and homosexuality Challenging narratives that place evangelicals in constant opposition to dominant American values Gerber shows that these programs reflect the often overlooked connection between American cultural obsessions and Christian ones
