Lose Your Heart, Not Your Mind: Smart Woman's**

**Guide to Marriage and Self-Sufficiency (HC)** Aliette Carolan, 2017-06-07 In this practical guide Aliette Carolan insightfully outlines the keys to a successful marriage and its dissolution. She paves the way for women especially to feel empowered in their life choices which then allows them to make the best decisions for themselves and their family. This is a great guide for any woman who wants to be smart, empowered, and conscious in the choices she makes in love, life, and family. Dr. Shefali Tsabary, NYT Bestselling Author of *THE AWAKENED FAMILY*, GIVE AWAY YOUR HEART, but don't lose your mind. Know the deal you're getting into. Know that self-preservation is the key to a happy marriage and a happy divorce. We don't take a job expecting that we'll hate it and quit. We don't sign the lease on an apartment we'll be sick of in six months and we don't enter into a relationship planning for the breakup. But the flip side is that we shouldn't expect any relationship we enter into will save us from the responsibility of being self-sufficient. No matter where you are in the process—dating, engaged, married, contemplating separation and divorce—if you can realize why you have to put yourself first, you're halfway there. Whether you're in the rapturous throes of endless love or the first moments of stomach-churning awareness that your marriage is falling apart, this book is for you. It's for every woman who understands that self-preservation will not happen if you rely on someone else to save you. You need to maintain or begin to establish your personal independence and financial solvency if you want to be self-sufficient no matter what life throws at you. You can lean on someone, but you have to be able to stand on your own two feet at a moment's notice, and that's what this book is about. *Personal Finance For Dummies* Eric Tyson, 2018-11-06 Take stock of your financial situation. From budgeting, saving, and reducing debt to making timely investment choices and planning for the future, *Personal Finance For Dummies* provides fiscally conscious readers with the tools they need to take charge of their financial life. This new edition includes coverage of an extensive new tax bill that took effect in 2018 and the impact on individuals, families, small businesses, and on real estate and investing decisions. Plus, it covers emerging investing interests like technology and global investing, cryptocurrencies, pot stocks, the lifestyle changes occurring with millennials, and more. Evaluate and manage your financial fitness. Assess your credit report and improve your score. Make smart investments in any economic environment. Find out about international investing. The expert advice offered in *Personal Finance For Dummies* is for anyone looking to ensure that their finances are on the right track and to identify the areas in which they can improve their financial strategies. **The Good Retirement Guide 2013** Frances Kay, 2013-01-03 Retirement is a time of opportunity. Without the routine demands of working life, new ambitions can be realized and experiences enjoyed. Yet with so much to consider, people are often unsure how best to plan for their future. Furthermore, with rising retirement ages, the closure of many final salary pension schemes, poor annuity rates, and uncertainty regarding universal benefits, the scope for concern and confusion is even greater. *The Good Retirement Guide* is essential reading for all those looking forward to making the most of their retirement and offers clear and concise suggestions and advice on a broad range of retirement-related subjects, including finance, investments, pensions, annuities, benefits, and tax, housing, health.
