Debates of Parliament South Africa. Parliament,1988 *International Books in Print* ,1991 **Congressional Record** United States. Congress,1993 **Putting Out the Fire: Smoking and the Law** Joyce Libal,2014-10-21 For years researchers have looked for ways to understand why some people seem to become addicted to cigarette smoking with the first puff while others don't. Studies have focused on why certain individuals have an easier time breaking the bonds of smoking and how smoking cessation success rates could be improved **Becoming Disabled** Jan Doolittle Wilson,2021-06-28 Using an autoethnographic approach as well as multiple first person accounts from disabled writers, artists, and scholars, Jan Doolittle Wilson describes how becoming disabled is to forge a new consciousness and a radically new way of viewing the world. In *Becoming Disabled*, Wilson examines disability in ways that challenge dominant discourses and systems that shape and reproduce disability stigma and discrimination. It is to create alternative meanings that understand disability as a valuable human variation that embrace human interdependency and that recognize the necessity of social supports for individual flourishing and happiness. From her own disability view of the world, Wilson critiques the disabling impact of language, media, medical practices, educational systems, neoliberalism, mothering ideals, and other systemic barriers. And she offers a powerful vision of a society in which all forms of human diversity are included and celebrated, and one in which we are better able to care for ourselves and each other Massachusetts General Laws Annotated, Under Arrangement of the Official General Laws of Massachusetts Massachusetts. Laws, statutes, etc,1990 *The Skeptical Inquirer* ,2009 Poisoned Blood Philip E. Ginsburg,2018-07-31 New York Times Bestseller The astonishing true story of the notorious black widow who preyed on her husband and daughter and faked her own death. The Washington Post Book World: "Pretty smart and pampered, Audrey Marie Hilley grew up in a small Alabama town believing she was entitled to the best of everything. But marriage to her high school sweetheart, a cushy secretarial job, and motherhood were not enough to satisfy Marie, and she soon began to act out in troubling ways. Only when her husband Frank became sick with a mysterious illness did it seem that she was ready to put someone else's needs ahead of her own. The truth was far more disturbing. Four years after Frank died, Marie's daughter Carol began to experience debilitating stomach pains. The young woman was near death when the horrifying reality finally emerged: Marie had poisoned her husband with arsenic and was attempting to do the same to her daughter. It was the first in a series of shocking twists that exposed Marie Hilley as a cold-blooded chameleon capable of the most sinister of crimes. From Alabama to Florida to New Hampshire, her trail of death and deceit included multiple identities, a second marriage, a false kidnapping, a fake death, several dramatic escapes, and a final act of desperation that brought the whole sordid saga to an astonishing end. A mesmerizing portrait of an American murderess with a genius for deception, *Poisoned Blood* is one of the most riveting true crime stories in memory."
