Mike Saks

Soviet Intellectuals And Political Power The Post Stalin Era:

Soviet Intellectuals and Political Power Vladimir Shlapentokh, 2014-07-14 In this unprecedented work on the status and role of intellectuals in Soviet political life a former Soviet sociologist maps out the delicate often paradoxical ties between the political regime and the creative thinkers who play a major part in the movement toward modernization Beginning with Stalin Vladimir Shlapentokh explores the mutual need and antagonism that have existed between political leaders and intellectuals What emerges is a fascinating portrayal of the Soviet intellectual network since the 1950s which touches on such topics as the role of literature and film in political opposition levels of opposition open legal and private and the spread of paranoia as fueled by the KGB Throughout he shows how the intellectual community usually a cohesive liberal group has fared under Khrushchev's cautious tolerance Brezhnev's repressions and now Gorbachev's Glasnost Shlapentokh maintains however that under Glasnost freer speech has revealed a more pronounced divergence between liberal and conservative thinkers and has allowed for open conservative opposition to the reformatory measures of Gorbachev and the liberals He argues that one of the strongest checks on reform is the growing presence of Russophilism a movement supporting Russian nationalism and Stalin's concept of socialism among the political elite and the masses Although the role of the liberal intellectuals in the late 1980s was less prominent than it was in the 1960s Shlapentokh asserts that they remain the major agent of modernization in the Soviet Union as well as in other socialist countries Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Stalin Era Intellectuals Vesa Oittinen, Elina Viljanen, 2022-11-25 This book focuses on the extent to which Soviet scholars and cultural theoreticians were able to act autonomously during the Stalin era The authors question how we should consider certain intellectual achievements which took place despite the pressure of Stalinism and how best to recognise and describe such achievements The chapters in this book offer suggestions for new interpretations on Soviet philosophy of science and humanities linguistics philosophy musicology literature and mathematics from the point of view of general cultural theory In this way they challenge the received image of the Stalin era humanities which reduces them into mere propaganda Intended for scholars of Russian and Soviet studies this book will dispel many received views about the character of Stalinism and Soviet culture Chapters 1 2 4 6 10 and 13 of this book are freely available as downloadable Open Access PDFs at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

The Cold War Spencer C. Tucker, 2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the

collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material

Jews in Russian Literature After the October Revolution Efraim Sicher,1995-12-07 This work is an innovative and controversial study of how four famous Jews writing in Russian in the early Soviet period attempted to resolve the conflict between their cultural identity and their place in Revolutionary Russia Babel Mandelstam Pasternak and Ehrenburg struggled in very different ways to form creative selves out of the contradictions of origins outlook and social or ideological pressures Efraim Sicher also explores the broader context of the literature and art of the Jewish avant garde in the years immediately preceding and following the Russian Revolution By comparing literary texts and the visual arts the author reveals unexpected correspondences in the response to political and cultural change This study contributes to our knowledge of an important aspect of modern Russian writing and will be of interest to both Jewish scholars and those concerned with Slavonic studies

Conditional Democracy Émilie Frenkiel,2015-03-01 Little is known about the political views of non dissident Chinese intellectuals For this book milie Frenkiel has been granted unprecedented access to the discussions of politically committed Chinese who have been part of the intellectual debate on post Tiananmen reform Her in depth research elicits lively views that reflect the yearnings and fears of the country s political elite and reveal the diversity of approaches to China s democratisation

Evening Chats in Beijing Eugene Perry Link,1992 A lively survey of today s China as seen by its brooding intellectuals A terrific book Nicholas D Kristof New York Times Book Review

Apparatchiks and Ideologues in Islamist Turkey Doğan Gürpınar,2022-12-15 This book analyzes how AKP s embedded intellectuals operate as media spin doctors exploring their transformation from passionately engaged intellectuals into apparatchiks This project adapts a post Soviet geography approach to the media intelligentsia and political discourse as derivative of authoritarian regimes to the Turkish context It offers a fresh look at the Turkish political and intellectual scene and a comparative study of the populist authoritarian politics of Turkey Situated in the literature on the post Soviet authoritarian regimes and their ways of governing as well as their manipulation of public opinion the book analyzes AKP aligned

intellectuals as apparatchiks G r p nar explores the different constellations of pro AKP intellectuals vindicating the AKP regime from various angles including liberal progressive intellectuals who initially supported the party for its liberal vistas but continued their support by twisting their progressive rhetoric Islamist intellectuals blending their Islamism with populism and national security intellectuals who joined after the AKP came to propagate a national security agenda The book also provides an overview of the mechanisms of political technology including the media landscape and its running by the AKP intellectuals themselves as operators of political technology and the problem of cultural power The book will be of interest to those studying comparative authoritarian politics populism political communication and scholars of Middle East and Eastern Europe

The Professions, State and the Market Mike Saks, 2015-06-05 This unique book enhances our understanding of the links between professions the state and the market and their implications for the public in terms of professional practice In so doing the book adopts a neo Weberian perspective in which professions are seen as a form of exclusionary social closure based on legal boundaries established by the state To illustrate the overarching theme the book considers how healthcare in general and medicine in particular as a form of professional work is organized in public and private arenas in three societies with different socio political philosophies namely Britain the United States and Russia As such it examines the varying extent to which the development of independent professional organizations has been enhanced or restricted in public as compared to more privatized social contexts The comparative perspective adopted in this book thereby provides insight into the organization of professional work in different contexts and the all important effects of this on delivery to the public This book will be of particular interest to scholars researchers and students of Management Public Policy and Health Care

Media Politics in China Maria Repnikova, 2017-06-15 Maria Repnikova offers an innovative analysis of the media oversight role in China by examining how a volatile partnership is sustained between critical journalists and the state

The Many Lives of Khrushchev's Thaw Stephen V. Bittner, 2008 The Arbat neighborhood in central Moscow has long been home to many of Russia's most famous artists writers and scholars as well as several of its leading cultural establishments In an elegantly written and evocative portrait of a unique urban space at a time of transition Stephen V Bittner explores how the neighborhood changed during the period of ideological relaxation under Khrushchev that came to be known as the thaw The thaw is typically remembered as a golden age a period of artistic rebirth and of relatively free expression after decades of Stalinist repression By considering events at the Vakhtangov Theater the Gnesin Music Pedagogy Institute the Union of Architects and the Institute of World Literature Bittner finds that the thaw was instead characterized by much confusion and contestation As political strictures loosened after Stalin's death cultural figures in the Arbat split often along generational lines over the parameters of reform and over the amount of freedom of expression now permitted De Stalinization provoked great anxiety because its scope was often unclear Particularly in debates about Khrushchev's urban planning initiatives which involved demolishing a part of the historical Arbat to build an ensemble of concrete and steel high rises a conflict

emerged over what aspects of the Russian past should be prized in memory the late tsarist city the utopian modernism of the early Soviet period or the neoclassical and gothic structures of Stalinism Bittner's book is a window onto the complex beginning of a process that is not yet complete deciding what to jettison and what to retain from the pre Soviet and Soviet pasts as a new Russia moves to the future *Spartak Moscow* Robert Edelman, 2012-11-15 In the informative entertaining and generously illustrated *Spartak Moscow* a book that will be cheered by soccer fans worldwide Robert Edelman finds in the stands and on the pitch keys to understanding everyday life under Stalin Khrushchev and their successors Millions attended matches and obsessed about their favorite club and their rowdiness on game day stood out as a moment of relative freedom in a society that championed conformity This was particularly the case for the supporters of Spartak which emerged from the rough proletarian Presnia district of Moscow and spent much of its history in fierce rivalry with Dinamo the team of the secret police To cheer for Spartak Edelman shows was a small and safe way of saying no to the fears and absurdities of high Stalinism to understand Spartak is to understand how soccer explains Soviet life Champions of the Soviet Elite League twelve times and eleven time winner of the USSR Cup Spartak was founded and led for seven decades by the four Starostin brothers the most visible of whom were Nikolai and Andrei Brilliant players turned skilled entrepreneurs they were flexible enough to constantly change their business model to accommodate the dramatic shifts in Soviet policy Whether because of their own financial wheeling and dealing or Spartak's too frequent success against state sponsored teams they were arrested in 1942 and spent twelve years in the gulag Instead of facing hard labor and likely death they were spared the harshness of their places of exile when they were asked by local camp commandants to coach the prisoners football teams Returning from the camps after Stalin's death they took back the reins of a club whose mystique as the people's team was only enhanced by its status as a victim of Stalinist tyranny Edelman covers the team from its days on the wild fields of prerevolutionary Russia through the post Soviet period Given its history it was hardly surprising that Spartak adjusted quickly to the new capitalist world of postsocialist Russia going on to win the championship of the Russian Premier League nine times the Russian Cup three times and the CIS Commonwealth of Independent States Cup six times In addition to providing a fresh and authoritative history of Soviet society as seen through its obsession with the world's most popular sport Edelman a well known sports commentator also provides biographies of Spartak's leading players over the course of a century and riveting play by play accounts of Spartak's most important matches including such highlights as the day in 1989 when Spartak last won the Soviet Elite League on a Valery Shmarov free kick at the ninety second minute Throughout he palpably evokes what it was like to cheer for the Red and White Citizenship and Citizenship Education in a Changing World Orit Ichilov, 2013-12-19 Political economic technological and cultural changes have taken place all over the globe changes which have transformed the meanings of citizenship and citizenship education This volume represents an effort to analyze the implications of these changes *The Cambridge History of the Cold War: Volume 3, Endings* Melvyn P. Leffler, Odd Arne

Westad,2012-01-26 Volume III of The Cambridge History of the Cold War examines the evolution of the conflict from the Helsinki Conference of 1975 until the Soviet collapse in 1991 A team of leading scholars analyzes the economic social cultural religious technological and geopolitical factors that ended the Cold War and discusses the personalities and policies of key leaders such as Brezhnev Reagan Gorbachev Thatcher Kohl and Deng Xiaoping The authors show how events throughout the world shaped the evolution of Soviet American relations and they explore the legacies of the superpower confrontation in a comparative and transnational perspective Individual chapters examine how the Cold War affected and was affected by environmental issues economic trends patterns of consumption human rights and non governmental organizations The volume represents the new international history at its best emphasizing broad social economic demographic and strategic developments while keeping politics and human agency in focus **Logics of Socialist**

Education Tom G. Griffiths,Zsuzsa Millei,2012-09-11 For some socialism is a potent way of achieving economic political and social transformations in the twenty first century while others find the very term socialism outdated This book engages readers in a discussion about the viability of socialist views on education and identifies the capacity of some socialist ideas to address a range of widely recognized social ills It argues that these pervasive social problems which plague so called developed societies as much as they contribute to the poverty humiliation and lack of prospects in the rest of the world fundamentally challenge us to act In our contemporary world system distancing ourselves from the injustices of others is neither viable nor defensible Rather than waiting for radically new solutions to emerge this book sees the possibility of transformation in the reconfiguration of existing social logics that comprise our modern societies including logics of socialism The book presents case studies that offer a critical examination of education in contemporary socialist contexts as well as reconsidering examples of education under historical socialism In charting these alternatives and retooling past solutions in a nuanced way it sets out compelling evidence that it is possible to think and act in ways that depart from today s dominant educational paradigm It offers contemporary policy makers researchers and practitioners a cogent demonstration of the contemporary utility of educational ideas and solutions associated with socialism A pioneering collection of essays which is central to understanding the historical and contemporary meanings of socialism in the context of neoliberal globalization It is a most timely contribution to a growing intellectual project that challenges the hegemony of capitalism while re thinking and theorizing alternatives Iveta Silova Associate Professor of Comparative Education Lehigh University Bethlehem PA USA In this significant contribution to recent scholarship the authors use the lens of socialist education to offer an original critique of hegemonic capitalism and present an intellectually rigorous search for alternatives by reconsidering historical socialism and advancing promising educational experiments that challenge the global architecture of education Anders Breidlid Professor of International Education and Development Oslo University College Norway **Chinese Intellectuals Between State and Market** Merle Goldman,Edward Gu,2005-08-03 This edited volume describes the intellectual world that

developed in China in the last decade of the twentieth century How as China's economy changed from a centrally planned to a market one and as China opened up to the outside world and was influenced by the outside world Chinese intellectual activity became more wide ranging more independent more professionalized and more commercially oriented than ever before The future impact of this activity on Chinese civil society is discussed in the last chapter *Russia's Dangerous Texts* Kathleen F. Parthe,2008-10-01 Russia's Dangerous Texts examines the ways that writers and their works unnerved and irritated Russia's authoritarian rulers both before and after the Revolution Kathleen F Parth identifies ten historically powerful beliefs about literature and politics in Russia which include a view of the artistic text as national territory and the belief that writers must avoid all contact with the state Parth offers a compelling analysis of the power of Russian literature to shape national identity despite sustained efforts to silence authors deemed subversive No amount of repression could prevent the production distribution and discussion of texts outside official channels Along with tragic stories of lost manuscripts and persecuted writers there is ample evidence of an unbroken thread of political discourse through art The book concludes with a consideration of the impact of two centuries of dangerous texts on post Soviet Russia *Regime and Society in Twentieth-Century Russia* Ian D. Thatcher,2016-07-27 This book contains fresh approaches to the interaction between regime and society in twentieth century Russia It offers new answers to familiar questions How useful is totalitarianism as a model to categorise authoritarian regimes What chances existed for tsarism to establish itself as a constitutional monarchy Were Trotsky and Lenin dictators in waiting How did the Bolsheviks make the Lenin cult What opposition did intellectuals offer in the Soviet regime What is the nature of contemporary Russian constitutionalism It is required reading for historians political scientists sociologists and everyone interested in modern Russia *Russian Jews on Three Continents* Noah Lewin-Epstein,Paul Ritterband,Yaacov Ro'i,2013-10-31 In the past twenty years almost three quarters of a million Russian Jews have emigrated to the West Their presence in Israel Europe and North America and their absence from Russia have left an indelible imprint on these societies The emigrants themselves as well as those who stayed behind are in a struggle to establish their own identities and to achieve social and economic security In this volume an international assembly of experts historians sociologists demographers and politicians join forces in order to assess the nature and magnitude of the impact created by this emigration and to examine the fate of those Jews who left and those who remained Their wide ranging perspectives contribute to creating a variegated and complex picture of the recent Russian Jewish Emigration *Europeans* Åke Daun,Sören Jansson,2012-01-02 Social scientists a rehabilitation researcher a folklorist a political commentator and other contributors survey some of the differences in European culture and discuss the complex topic of national identity in Europe This volume forms a fascinating mosaic of European diversity revealing idiosyncrasies such as that it is rude to interrupt in Sweden that acting normal is quite silly enough in the Netherlands how Poles banter about heroes how Icelandic national identity fits into a Nordic and international context why reunified Germany is one

country and two cultures and whether there is such a thing as a Belgian national identity **The Cambridge Companion to Twentieth-Century Russian Literature** Evgeny Dobrenko, Marina Balina, 2011-02-17 An overview of the main literary schools authors and works in modern Russia and the Soviet Union

Soviet Intellectuals And Political Power The Post Stalin Era Introduction

In today's digital age, the availability of Soviet Intellectuals And Political Power The Post Stalin Era books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Soviet Intellectuals And Political Power The Post Stalin Era books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Soviet Intellectuals And Political Power The Post Stalin Era books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Soviet Intellectuals And Political Power The Post Stalin Era versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Soviet Intellectuals And Political Power The Post Stalin Era books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Soviet Intellectuals And Political Power The Post Stalin Era books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Soviet Intellectuals And Political Power The Post Stalin Era books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Soviet Intellectuals And Political Power The Post Stalin Era books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Soviet Intellectuals And Political Power The Post Stalin Era books and manuals for download and embark on your journey of knowledge?

FAQs About Soviet Intellectuals And Political Power The Post Stalin Era Books

What is a Soviet Intellectuals And Political Power The Post Stalin Era PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Soviet Intellectuals And Political Power The Post Stalin Era PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Soviet Intellectuals And Political Power The Post Stalin Era PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Soviet Intellectuals And Political Power The Post Stalin Era PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Soviet Intellectuals**

And Political Power The Post Stalin Era PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
