Soviet Views Of Talmudic Judaism:

Soviet views of Talmudic Judaism A. Solodukho,2023-08-21 **Soviet Views of Talmudic Judaism** Yu. A. Solodukho,2003-04-15 **Soviet Views of Talmudic Judaism** Iulii Aronovich Solodukho,1973 Soviet Views of Talmudic Judaism Jacob Neusner,1973 **Soviet Views of Talmudic Judaism** Yu. A. Solodukho,Jacob Neusner,1973 Soviet Views of Talmudic Judaism Iulii Aronovich Solodukho,1973 Soviet views of talmudic judaism Jacob Neusner,1973 **The Soviet Jewish Americans** Annelise Orleck,2001 A highly readable introduction to an an important new American population Jews in the Soviet Union: A History Gennady Estraiikh,2022-12-20 This book describes the joy and problems in life of the multilayered Soviet Jewish society during the years between Josef Stalin s demise in March 1953 and Moscow s breaking of diplomatic relations with Israel in June 1967 **Jews and Judaism in the Rabbinic Era** Isaiah Gafni,2019-01-04 This collection of essays by Isaiah M Gafni reflects over forty years of research on central issues of Jewish history in one of its formative eras Questions relating to representations of the past beginning with Josephus but primarily in rabbinic and post rabbinic literature represent an axial theme in this volume Throughout the collection the author addresses the tension between realities on the ground and the historiography that shaped the image of that reality for all subsequent generations Two specfic clusters of studies analyze the emergence and development of the Babylonian rabbinic community as well as the complex relationship between the Judaeen centre and the Jewish diaspora in Late Antiquity A final selection of essays examines the impact of modern ideologies and revised methods of research on the image of Jewish life and rabbinic leadership in late antique Judaism

The Legal Methodology of Late Nehardean Sages in Sasanian Babylonia Barak S. Cohen,2010-12-06 Drawing on the scholasticism of the Late Nehardean amoraim this book offers a comprehensive analysis of their halakhic legal methodology identity and dating This analysis contributes to the scientific approach of the Bavli and allows a better understanding of the development of Jewish Law Babylonian Jews and Sasanian Imperialism in Late Antiquity Simcha Gross,2024-03-27 From the image offered by the Babylonian Talmud Jewish elites were deeply embedded within the Sasanian Empire 224 651 CE The Talmud is replete with stories and discussions that feature Sasanian kings Zoroastrian magi fire temples imperial administrators Sasanian laws Persian customs and more quotidian details of Jewish life Yet in the scholarly literature on the Babylonian Talmud and the Jews of Babylonia the Sasanian Empire has served as a backdrop to a decidedly parochial Jewish story having little if any direct impact on Babylonian Jewish life and especially the rabbis Babylonian Jews and Sasanian Imperialism in Late Antiquity advances a radically different understanding of Babylonian Jewish history and Sasanian rule Building upon recent scholarship Simcha Gross portrays a more immanent model of Sasanian rule within and against which Jews invariably positioned and defined themselves Babylonian Jews realized their traditions teachings and social position within the political social religious and cultural conditions generated by Sasanian rule **Soviet views of Talmudic**

Judaism. 5 papers by Yu. A. Julij Aronovič Soloduchov, Jacob Neusner, 1973 *The Halakhah, Volume 1 Part 3* Jacob Neusner, 2021-11-22 The Halakhah embodies the complete Jewish Law and contains commandments and guidelines for day to day living The original commandments given by God to the Jewish people were enhanced by rabbis to offer a detailed framework to guide the lives of all Jews In this complete all encompassing encyclopaedia of the Halakhah the various laws are classified in such a way that a systematic and coherent structure is obtained Each entry of the Halakhah is presented in a logical fashion Where applicable the original biblical wording is given extended with literal abstracts from the Torah Next problems and questions that may arise from that law are stated and any additional information given Finally each entry gives comprehensive explanations and recommendations as to how these laws are to be observed in daily life where to be and where not to be what to do and what not to do what to say and what not to say The Halakhah or standard Jewish Law combines the Mishnah about 200 CE the Tosefta about 300 CE and the two Talmuds about 400 600 CE for the Land of Israel and Babylon respectively Volumes I and II contain entries pertaining to the Jewish people in relationship to God Volume III explains how the Jewish people can restore and maintain their society in accordance with the Torah as it is explained by the rabbis In Volumes IV and V of this study we take up the life of the Jewish household in their encounter with God The Encyclopaedic account therefore moves from regulating relationships between Israel and God to establishing stable and equitable relationships among Israelites and finally to actually living the Halakhah *Slavery as Salvation* Dale B. Martin, 2021-03-30 Early Christians frequently used metaphors about slavery calling themselves slaves of God and Christ and referring to their leaders as slave representatives of Christ Most biblical scholars have insisted that this language would have been distasteful to potential converts in the Greco Roman world and they have wondered why early Christians such as Paul used the image of slavery to portray salvation In this book Dale B Martin addresses the issue by examining the social history and rhetorical and theological conventions of the times The first half of the book draws on a variety of historical sources inscriptions novels speeches dream handbooks and agricultural manuals to portray the complexity of slavery in the early Roman empire Concentrating on middle level managerial slaves Martin shows how slavery sometimes functioned as a means of upward social mobility and as a form of status by association for those slaves who were agents of members of the upper class For this reason say Martin slavery of Christ brought the Christian convert a degree of symbolic status and lent the Christian leader a certain kind of derived authority The second half of the book traces the Greco Roman use of political rhetoric that spoke about populist leaders as enslaved to their followers especially to members of the lower class This provides the context for Paul's claim in 1 Corinthians 9 that he has enslaved himself to all that is to those very people he is supposed to lead as an apostle Martin thus interprets this statement to mean that Paul identifies himself with the interests of persons with lower status in the Corinthian church calling on those with higher status to imitate his self debasement in order to further the interests of those below them on the social scale Comprehending Antisemitism through the Ages: A

Historical Perspective Armin Lange, Kerstin Mayerhofer, Dina Porat, Lawrence H. Schiffman, 2021-08-23 This volume traces the history of antisemitism from antiquity through contemporary manifestations of the discrimination of Jews It documents the religious sociological political and economic contexts in which antisemitism thrived and thrives and shows how such circumstances served as support and reinforcement for a curtailment of the Jews social status The volume sheds light on historical processes of discrimination and identifies them as a key factor in the contemporary and future fight against antisemitism

The Routledge History of Antisemitism Mark Weitzman, Robert J. Williams, James Wald, 2023-09-04 Antisemitism is a topic on which there is a wide gap between scholarly and popular understanding and as concern over antisemitism has grown so too have the debates over how to understand and combat it This handbook explores its history and manifestations ranging from its origins to the internet Since the Holocaust many in North America and Europe have viewed antisemitism as a historical issue with little current importance However recent events show that antisemitism is not just a matter of historical interest or of concern only to Jews Antisemitism has become a major issue confronting and challenging our world This volume starts with explorations of antisemitism in its many different shapes across time and then proceeds to a geographical perspective covering a broad scope of experiences across different countries and regions The final section discusses the manifestations of antisemitism in its varied cultural and social forms With an international range of contributions across 40 chapters this is an essential volume for all readers of Jewish and non Jewish history alike

Israel and Iran in Talmudic Times Jacob Neusner, 1986-10-23 Provides a survey of stories of rabbinic literature from late antiquity and early medieval times that relates to the political condition of the Babylonian and Mesopotamian Jews The author juxtaposes these stories which record rabbinical opinion concerning the politics of each era against the actual events This volume represents an abbreviated treatment by the author of the topics originally covered in his *History of the Jews in Babylonia* published by E J Brill Co published with *Studies in Judaism*
