Soviet Military And The Future:

The Soviet Military and the Future Stephen J. Blank, Jacob Kipp, 1992-11-17 What are the key factors that will shape the post Soviet military system Leading experts assess the geostrategic context in which leaders must operate the nature of future war foundations of military power dilemmas confronting a multinational military force problems in managing a nuclear arsenal civil military relations economic priorities and problems and ethnic questions This current evaluation of how war and the Soviet Union are being transformed is an invaluable study for students and experts in military studies political science and the social sciences generally In this collection of important perspectives Soviet military elites and influential civilian policymakers discussed what previous and present developments will require in the future This collaborative effort examines what Moscow sees as important requirements The study analyzes Soviet forecasting methodologies naval developments views about theater warfare in Europe developments in C3I the role of space the Soviet military economy mobilization regimes Soviet views on American military thought perspectives on the initial period of warfare and changes in operational arts Chapter endnotes and reference lists point to major sources of Soviet scholarship *Future of U.S.-Soviet Relations* United States. Congress. House. Committee on Armed Services. Defense Burdensharing Panel, 1989 *United States-Soviet Relations: The future of United States-Soviet relations* United States. Congress. Senate. Committee on Foreign Relations, 1983 *Soviet Military Strategy in the 1990s* David M. Glantz, 1991 *The Future of U.S.-Soviet Relations* United States. Congress. Senate. Committee on Foreign Relations, 1990 **Gorbachev and the Future of the Soviet Military Institution** Harry Gelman, 1991 **Soviet Military Power**, 1986 **Soviet Military Power, 1987**, 1987 Soviet Military Power 1987 reviews new development in the USSR's armed forces over the past year and places these in the context of current doctrine and strategy These developments again underscore that the USSR is building new generations of offensive strategic and theater nuclear forces as well as conventional land sea and air forces and strategic defense forces going far beyond legitimate requirements for defense *Soviet Military Review*, 1977 **Future Soviet Interests in Arms Control** Institute for Defense Analyses. International and Social Studies Division, 1970 **The Future of the US-Republic of Korea Military Relationship** Kim Jung-Ik, 2016-07-27 As the international security situation has changed after the collapse of the Soviet Union the book examines the implication of the new security environment to the security of South Korea and how the strategic and military relations with the United States will develop In the new era the lack of common interests has made the mutual defence sceptical This book suggests that South Korea should eventually develop a long term strategy with a goal of self reliance **Multinational Operations, Alliances, and International Military Cooperation Past and Future**, Center of Military History Publication 70 101 1 *The Future Security Environment*, 1988 **The Future Of The Soviet Navy** Bruce W. Watson, Peter M Dunn, 2020-01-28 The efforts of the Soviet Union since the mid 1950s to develop naval power have produced one of the strongest navies in the world but this achievement has not been

without serious costs The construction of increasingly complex submarines ships and aircraft has required greater investment of resources and manpower This volume addresses whether the Soviet Union will continue naval expansion and what directions technological development will take in the future In particular the contributors consider trends in submarine aircraft carrier and surface combatant systems and examine what implications these developments have for U S defense planning over the next two decades **Gorbachev And The Soviet Future** Lawrence W. Lerner, 2019-04-08 This book presents articles that provide a detailed account on the role of Gorbachev in Soviet s future political reform educational reform economy military policy toward the United States and Western Europe and relations with the developing world

Contemporary Soviet Military Affairs Jonathan R. Adelman, Cristann Lea Gibson, 2021-01-26 This book first published in 1989 is a comprehensive examination of the profound impact of World War II on Soviet military affairs It systematically assesses the costs and lessons of the war and their substantial impact on Soviet military and Party leaders in the Cold War era and particularly in the 1980s Starting with the experiences of the war and its influence on the development of Soviet military thinking the book addresses the relationship between the military and the Soviet political system threat perception decision making and crisis and risk assessment Also discussed are the war s influence on the structure and operations of the military in the 1980s focusing on doctrine conventional forces the defence industry and historiography **The Future Of European Alliance Systems** Arlene Idol Broadhurst, 2019-07-11 Recent events in Afghanistan and Poland as well as the Twenty Sixth Party Congress have raised questions about the future direction of the Warsaw Treaty Organization Similarly pressing issues such as the placement of long range theater nuclear forces burden sharing and threats to the security of Europe from peripheral areas for instance the Middle East call attention to the urgent need for a re examination of priorities and strategies within the North Atlantic Treaty Organization This book addresses these military considerations as well as the political and social dimensions of European security The distinguished authors discuss four major subjects European security perspectives NATO the warsaw Pact and resource allocations for defense within the framework of comparative alliance approaches Their detailed descriptions of current problems diversities and discussions within the two alliance systems offer insight into the differing ideas of what constitutes security Military Review , 1993 **Quarterly Review of Military Literature** , 1993 The Future of Soviet Military Power Lawrence L.
