Schwann Inside Jazz & Classical ,2000 **The Gramophone** ,2007 **The Story Of Naxos** Nicolas

Soames,2012-05-03 In 1987 a budget classical record label was started in Hong Kong by Klaus Heymann a German businessman who loved classical music Swiftly it gained a world wide reputation for reliable new digital recordings of the classics at a remarkably low price Despite opposition from the classical record establishment it grew at a remarkable pace and soon expanded into opera early music contemporary music and specialist repertoire so that it became appreciated by specialist collectors as well as the general music lover It is now the leading provider of classical music and as an innovator in digital delivery At the heart of Naxos is one man Klaus Heymann The combination of his broad knowledge of classical music and his acute business acumen has enabled him to build the most varied classical music label in the world but also the most effective distribution network to ensure that his recordings are available everywhere This fascinating story explains how it happened how a one time tennis coach in Frankfurt became a classical recording mogul in Hong Kong and how at the age of 75 he still holds the reins as firmly as ever *Catullus in Twentieth-Century Music* Stephanie Oade,2024-08-24 One of the most famous voices to have survived from the Roman world Catullus s poetry is still amongst the most popular and widely read But what is it that makes this 2 000 year old voice so relevant so personal and so endlessly fascinating Reinigorating discussions around the nature of Catullus s lyricism Catullus in Twentieth Century Music takes a completely new approach to Catullus and ideas of lyric It centres around four musical works from the twentieth century each one capturing the essence of Catullus in musical retellings and showcasing a very personal response to the original text Considering how and why these musical composers used Catullus s poetry as their stimulus allows us to uncover new ideas about Catullus s poetry By considering the very process of reception Stephanie Oade takes a broader view of lyric identifying traits and characteristics that are common to both music and poetry thus transcending the boundaries of individual art forms in order to consider the genre in larger interdisciplinary terms It offers insights into compositional processes and challenges audiences to think about ways of engaging with music and poetry More than anything it shows how ancient voices continue to resound in modernity and offer everlasting expression for our own experiences and emotions **Who's who in America** ,2003 *Fodor's Essential Greece* Fodor's Travel Guides,2021-08-03 Whether you want to explore the Acropolis of Athens watch the sunset in Santorini or party in Mykonos the local Fodor s travel experts in Greece are here to help Fodor s Essential Greece guidebook is packed with maps carefully curated recommendations and everything else you need to simplify your trip planning process and make the most of your time This new edition has been fully redesigned with an easy to read layout fresh information and beautiful color photos Fodor s Essential guides have been named by Booklist as the Best Travel Guide Series of 2020 Fodor s Essential Greece travel guide includes AN ILLUSTRATED ULTIMATE EXPERIENCES GUIDE to the top things to see and do MULTIPLE ITINERARIES to effectively organize your days and maximize your time MORE THAN 30 DETAILED MAPS to
