**Revival: Spanish literature: An Elementary Handbook (1921)** Henry Butler Clarke, 2018-01-17 During the time that I have held the Tylorian Teachership of Spanish at Oxford I have frequently received letters asking what there is to read in Spanish besides Cervantes and Calderon and what editions should be used The present volume is intended to answer these questions and to show the position occupied by the great writers in the general scheme of the literature of their country The various divisions of the great subject have been exhaustively treated up to their several dates by Nicolas Antonio Ticknor Amador de los Rios Schack and Wolf to whose books I beg to acknowledge my many obligations hoping at the same time that the present general sketch may be useful to the general reader and to the beginner and may serve as an introduction to more extensive works I am aware that a few short extracts however well chosen can give no adequate idea of the manner of a great writer or of the merits of a great book and that translations even by the most skilful hands are wont to reproduce the defects rather than the beauties of their original The extracts here printed are intended to relieve the monotony of a long list of short notices of authors and to illustrate the development of the language and progress of literary method they are as far as possible characteristically Spanish in subject and it is hoped of sufficient interest to induce readers to refer to the books from which they are taken **Spanish Literature** Henry Butler Clarke, 1921 **Spanish literature** Henry B. only to visit the country but to see the work of Spanish and Spanish inspired artists and performers in British galleries theatres and exhibitions It explores the work of novelists travel writers journalists scholars artists and performers to argue that the Edwardian knowledge of Spain was more extensive more complex and more diverse than we have imagined     **The Academy and Literature** ,1893     **General Catalogue of the Public Library of Detroit, Mich** Detroit Public Library,1899     *Books for the High School Library* Joint committee of the School library department of the National education association and of the School libraries section of the American library association,1924     *1000 Books for the Senior High School Library* ,1924     **Titles of Books Added to the Public Library of the City of Boston** Boston Public Library,1893     **Titles of Books Added to the Public Library of the City of Boston from April 17 ... 1893 to April 14, 1894.
