## Spanish Today 2:

**Spanish Now! Level 1: with Online Audio** Barron's Educational Series, Ruth J. Silverstein, 2015-08-01 This updated edition of the combination textbook and workbook is designed as an introduction to Spanish for classroom use. The emphasis is on oral proficiency: conversational speaking and listening comprehension. But the authors also present detailed instruction in the fundamentals of Spanish grammar, vocabulary, reading comprehension, and writing in Spanish. The book is filled with exercises and answers true to life dialogues, illustrations of Hispanic art, and photos that capture the flavor of Spanish culture in Spain and Latin America. In this new edition, the vocabulary sections and readings have been updated to include the latest technology, while the cultural sections now include information about the Hispanic individuals currently making a splash on the world scene.

**E-Z Spanish** Ruth J. Silverstein, Allen Pomerantz, Heywood Wald, 2013-01-08 Known for many years as Barron's Easy Way Series, the new editions of these popular self-teaching titles are now Barron's E-Z Series. Brand new cover designs reflect all new page layouts which feature extensive two-color treatment, a fresh modern typeface, and more graphic material than ever: charts, graphs, diagrams, instructive line illustrations, and where appropriate, amusing cartoons. Meanwhile, the quality of the book's contents remains at least as high as ever. Barron's E-Z books are self-help manuals focused to improve students' grades in a wide variety of academic and practical subjects. For most subjects, the level of difficulty ranges between high school and college 101 standards. Although primarily designed as self-teaching manuals, these books are also preferred by many teachers as classroom supplements and for some courses as main textbooks. E-Z books review their subjects in detail and feature both short quizzes and longer tests with answers to help students gauge their learning progress. Subject heads and key phrases are set in a second color as an easy reference aid. Barron's heavily revised and updated E-Z Spanish presents a beginner's introduction to speaking, understanding, and writing in Spanish, with emphasis on oral proficiency. All stories and exercises have been modernized.
