Embodiment, How Animals and Humans Make Sense of Things: The Dawn of Art, Ethics, Science, Politics, and Religion Jesse James Thomas, 2018-02-27 This book is not about what we can teach animals but what they can teach us Their differences are often not as radical as most humans imagine which is one reason we love animals We have more neurons in our neurological systems but we share many of the same features and underestimate what they have learned about survival strategies over the eons We stop and think a lot more but in doing so can sometimes interfere with natural processes and the results are not always good Animals provide a good platform from which we should launch emotionally and even ethically if we pay attention to them This book is unlike carefully documented scholarly articles that Dr Thomas also writes It is written for a wide popular audience and is loaded with stories and humor It is meant to be easy to read for almost anyone Hindbury's Run: An Illustrated Animal Story Madeleine Watson, Hindbury s Run was written in 1978 I would have been 13 I was living in a run down cottage with my parents and siblings at the time My childhood appeared innocent cosseted I kept a diary wrote stories and painted On the lead up I suffered terrible health niggles I have unsettled nights am forgetful have ulcer pains in my limbs and depression Hindbury s Run appears to be nothing untoward It is an animal story starring sheepdogs who fear a raid on their farm Little did I realise a sinister message runs beneath every paragraph A saboteur also lurks within the farm animal company This saboteur doesn t want me to write this story Why I wonder And why do cripples drowning disfigured faces and deaths in caves recur in my stories Three years previously I had been reading George Orwell s Animal Farm It echoes events leading up to the Russian Revolution of 1917 where brutal dictatorship results At the time a demon in my head made life hell I avoided my bed at night and kept the lights on I now realise Animal Farm had provided subconscious notions of an appalling past Hindbury s Run appears to have resulted only

the theme for my farm story vastly differs to Orwell's *My Other Book* *Tales from Daler Cottage* uncovers the message within this story and my other children's stories But the reason for my PTSD will be given at the end of this book *Hindbury's Run* would remain in the dark until the summer of 2017 My story has undergone necessary edits preserving the story and the tone of the young writer that I was With illustrations
