## **Sparks From His Heart:**

Sparks from the Anvil Elihu Burritt, 1847      Sparks from the Gloom Mumbé Cletus T, 2021-05-28 SPARKS FROM THE GLOOM is a fervent regret on the absurdities of life to a fragile mankind caught up in their frustrating webs as well as an attack on the ills that plague the society of men through their fellow kite like humankind who engage themselves in cold vampire type search for gain for coveted super beings over their mortal made. The work high lights through solid probes the real values long forgotten by these to the benefit of the fickle porous and sham world for the super gods they strive at. A close look at the metaphorical style and the diction of the pieces in this collection also brings to mind that far from harping solely on the moral ills of the society the poet equally delves into the breaking intellectual ability of such darkening masses to conceive and construe in their real forms and contents what is of value per se. Working towards solutions to these the work stretches from the layman's conception of phenomena to a much more close knitted subtle and metaphorical style meant for those that could conceive analyse and build at a higher level. Hence everyone from a mellow moulded adolescent to a literary don would find the subjects worth their contents and objectives.

**Marriage from the Heart** Donald R. Downing, 2010-04 Marriage is God's idea. He has no bad ideas. He brought Eve to Adam married them and they lived as husband and wife for over 900 years. Genesis 2:21-25 and 5:5. By this we can conclude that divorce was not God's idea but Satan's idea to destroy God's ideas plans and purpose of marriage between a man and a woman. We seek to find the right person when the greater picture is to be the right person. Man sets the time for the wedding but God sets the time for the marriage. There is a great difference between a wedding and a marriage. Many walk down the aisle to be wedded for all the wrong reasons. Saying I do and placing wedding rings upon fingers does not always mean they are married within their hearts. This book reveals that a man and a woman may marry and yet not be a true husband and wife. It stresses the importance of friendship courtship engagement and being married from the heart. Introducing a revolutionary approach to the covenant of marriage this book addresses commitment romance love keeping a right heart a sound mind and a pure relationship. Dr Donald R Downing is a heart physician and specialist from God to the body of Christ. He has written over 12 books and considers Marriage from the Heart to be one of his most important writings. He believes the only way to defeat the high rate of divorce and separation is to restore romance to the relationship and to be truly married from the heart.
