

THE ETERNAL MESSAGE OF MUHAMMAD

Abd al-Rahman Azzam

This translation of a great Islamic classic offers the western world a simple yet profound interpretation of Islam. Drawing upon years of unparalleled experience in diplomacy and government, Azzam examines the social and economic ramifications of the Muslim state; one based on humane ideals of law and justice expressed in the Qur'an, and one which can provide the foundation for a just society in the twentieth century.

Abd al-Rahman Azzam is generally considered as the father of the Arab League. He served as the League's first Secretary General between 1945–1952 as well as distinguishing himself in a long career as an Ambassador and parliamentarian. As Vincent Shean points out in his introduction "In Damascus as in Djakarta, Istanbul and Baghdad, this man is known for valour of spirit and elevation of mind... He combines in the best Islamic mode, the aspects of thought and action, like the Muslim warriors of another time who are typified for us westerners by the figure of Saladdin."
