

An aerial, high-angle view of a city skyline. In the foreground, a wide river flows from the bottom right towards the center. To the left of the river, a complex highway interchange with multiple overpasses and ramps is visible. Several tall, modern skyscrapers are scattered throughout the scene, some with distinctive architectural features like golden spires or glass facades. Green spaces with trees are interspersed among the buildings and along the riverbanks. The overall scene is brightly lit, suggesting daytime.
