Wilson,2011-09-09 After a tumultuous career as a revolutionary in Ireland and an ultra conservative Catholic in the United States Thomas D Arcy McGee moved to Canada in 1857 where he became a force for moderation and the leading Irish Canadian politician in the country Determined that Canada should avoid the ethno religious strife that afflicted Ireland he articulated an inclusive broad minded nationalism based on generosity of spirit a willingness to compromise and a reasonable balance between order and liberty To realize his vision McGee became a strong supporter of the new northern nationality A spellbinding orator who emerged as the youngest and most intellectually gifted of the Fathers of Confederation he fought what he saw as the atavistic and intolerant elements of Canadian life the Orange Order with its strident anti Catholicism the opponents of separate schools whom he viewed as enemies of minority rights and above all the Fenian Brotherhood with its dreams of revolutionizing Ireland and annexing Canada to the United States Convinced that compromise with Fenianism was impossible he set out to destroy the movement through a strategy of confrontation and polarization channeling his earlier extreme tendencies in the service of moderation and attempting to reduce the influence of Fenianism within his own community In the process he alienated many of his former supporters who came to regard him as a traitor who sacrificed the cause of Irish nationalism on the altar of personal ambition On 7 April 1868 McGee was assassinated on the doorstep of his Ottawa boarding house As someone who took an uncompromising stand against militants within his own ethno religious

Wilson, 2009 According to conventional historical wisdom Irish nationalism in Canada was a marginal phenomenon overshadowed by the more powerful movement in the United States and eclipsed in Canada by the Orange Order The nine contributors in this book argue otherwise and in doing so make a major and original contribution to our understanding of the Irish experience in Canada and the place of Irish Canadian nationalism within an international context Focusing on the period 1820 to 1920 they examine political religious and cultural expressions of Irish Canadian nationalism as it responded to Irish events and Canadian politics They also look at tensions within the movement between those who argued that Ireland should share the same freedom that Canada enjoyed within the British Empire and revolutionary republicans who wanted to liberate both Ireland and Canada from the yoke of British imperialism Irish Nationalism in Canada sheds light on questions such as transference of old world political traditions into North America the dynamics of ethno religious conflict and state responses to a revolutionary minority within an ethno religious group Contributors include Donald Harman Akenson Queen's University Kingston Sean Farrell Northern Illinois University Mark G McGowan St Michael's College University of Toronto Frederick J McEvoy Independent Scholar Michael Peterman Trent University Garth Stevenson Brock University Peter M Toner University of New Brunswick Rosalyn Trigger University of Aberdeen and David A Wilson University of Toronto **The Writers Directory**, 2013 *Absaroka Valley* Luran Paine, 2019-04-02 Samuel Patton lost his wife to lung fever two years ago Now suffering from lung fever himself and closer to eternity every day he is traveling
