Love Monkey Kyle Smith,2009-10-13 Many men aim high Tom Farrell dares to be average While his friends accumulate wedding rings mortgages and even alarmingly babies Tom still lives alone in his rented apartment with nothing but condiments and alcohol in his refrigerator He spends Saturday mornings watching cartoons and eating Cocoa Puffs out of an Empire Strikes Back bowl and devotes the rest of the weekend to his other favorite hobbies sports and girls His credo to think and act like a thirteen year old boy at all times has worked well enough to land him a decent job writing headlines for the New York Tabloid But neither his personal life nor his professional life has any forward momentum he s occupied the same cubicle since the first George Bush was president and is currently between girlfriends At thirty two it starts to occur to him There s a fine line between picky and loser Enter a sly beautiful coworker named Julia After a few torrid dates Tom is hooked She s like cleaning behind my refrigerator A once in a lifetime thing But the closer he gets to Julia the more elusive she becomes Frustrated Tom seeks the dubious advice of his buddy Shooter a shallow sexual gladiator and wonders why he keeps getting into arguments with Bran his smart sarcastic default date But then tragedy strikes and everyone s attitudes toward life and love change and even Tom begins to see himself in a new light By turns riotous and tenderhearted Kyle Smith s Love Monkey is the most candid and excruciatingly funny exploration of the male mind and libido since High Fidelity
